Draw to Win Dan Roam, 2016-09-13 Get ready for the ultimate crash course in communicating and solving problems through simple pictures Thirty two thousand years ago your many times great grandparents Oog and Aag drew pictures on the wall of a cave They had an innate need to communicate but no written language So they found an easy

and natural way to share their thoughts and stories Today after so many years when speaking and writing dominated we're back in another highly visual age About 90 percent of everything shared online is now visual selfies GIFs smartphone videos and more This explosion of communication through pictures isn't a millennial driven fad it's as natural as those lines first drawn by Oog and Aag Just turbo charged by the latest technology And yet over the past twenty years as I've taught people from Fortune 500 CEOs to White House staffers how to harness the power of imagery the biggest objection I've always heard is But I can't draw Trust me you can You don't need to be da Vinci to be an outstanding visual thinker and communicator The most effective drawings are the simplest and you can get good at those in three minutes In this little book I'll teach you how to use seven basic shapes to explain just about anything to just about anyone If you've read my previous books you'll see one or two familiar tools here along with a bunch of new tools you can start using right away If you're new to my approach welcome Get ready to work smarter communicate more clearly and get better at whatever you do just by picking up a pen Get ready to draw to win

The Consensus Building Handbook Lawrence Susskind, Sarah McKearnen, Jennifer Thomas-Larmer, 1999-08-09 Whether you work in the corporate world a nonprofit organization or the government sector you likely face the need to work with others to solve problems and make decisions on a daily basis And you've undoubtedly been frustrated by how laborious and conflict ridden such group efforts can be At all levels from neighborhood block associations to boards of directors of multinational corporations the consensus building process is highly effective in an increasingly fragmented contentious society In addition the old top down methods such as Robert's Rules of Order often prompt more problems than they solve Consensus helps you to implement better more creative solutions It provides a winning alternative to top down decision making and even parliamentary procedure By learning to build consensus stakeholders come to understand and respect one another's perspectives The consensus building process allows participants to find solutions and forge agreements that meet everyone's needs and provides a meaningful basis for effective long range implementation of decisions The Consensus Building Handbook provides a blueprint to help make the process work in your organization including a practical quick reference Short Guide Plus you'll find in depth commentary and seventeen case studies with in depth commentaries to provide the theoretical basis for this new approach CASE STUDIES INCLUDE Activating a Policy Network The Case of Mainport Schiphol The Northern Oxford County Coalition Four Maine Towns Tackle a Public Health Mystery The Chelsea Charter Consensus Process Resolving Science Intensive Public Policy Disputes Reflections on the New York Bight Initiative Negotiation Superfund Cleanup at the Massachusetts Military Reservation RuleNet An Experiment in Online Consensus Building Regulatory Negotiations The Native American Experience The Chattanooga Process A City's Vision Is Realized From City Hall to the Streets A Community Plan Meets the Real World The Catron County Citizens Group A Case Study in Community Collaboration Facilitating Statewide HIV AIDS Policies and Priorities in Colorado Building Consensus for Change Within a Major Corporation The Case of Levi Strauss Company Number Power Laurel
