Fun with Panels Cyndi McChesney, 2022-09-25 Turn panels into one of a kind quilts. Learn the process of making a panel quilt using three different types of panels: solo image, multiple image, and multi frame, and how to work with each panel type. Quilters will explore how to square up selections, work with challenging measurements, and use different types of settings. Also learn clever design concepts that enhance your ability to create a unified and interesting project with samples of panel quilts that focus on those specific concepts. Quilters learn to study the panel itself to find design inspiration, themes, and motifs. Discover the three different types of panels: solo image, multiple image, and multi frame, and how to work with each panel type. Make fun and functional projects such as table runners, placemats, and bags, discovering that the sky's the limit when it comes to using a panel for a sewing project. Learn to use basic math concepts to map out your design and use traditional quilt foundations such as medallion quilts and row by row quilts. Ladies' Home Journal, 1889

Modern Log Cabin Quilting Susan Beal, 2012-05-09 If you think quilting is too difficult or too complicated, you're not alone. Cutting hundreds of pieces and joining angled seams can be tough work. But log cabin quilting, an artful and simple way to piece strips of fabric around a central square, is different. From the intuitive construction through the straight line stitching, this style of quilting is simple as can be. In *Modern Log Cabin Quilting*, Susan Beal outlines the entire process from start to finish, including basic quilting, how to, as well as extensive design, fabric, and embellishment information. Since all log cabin designs follow the same formula, once you master straight lines and right angles, any of the 25 projects in this book are possible. From stash friendly designs like the Charming Camera Case to more ambitious undertakings like the Vintage Linens Quilt, there's sure to be a project that will get you into or bring you back to quilting.
