Burs Under the Saddle Ramon Frederick Adams,1989 This immense book by a noted bibliographer of the West is beyond question the fairest most complete and most learned evaluation of printed references to western outlaws to appear until now It will stand for many years solid as a rock amid the

flooding maelstrom of western myth and legend pointing up the truth about those men of the past who lived by their wits and their guns It will be impossible for anyone studying that era and such men to do so without reference to this volume Los Angeles Times Adams turns again to the books and histories of the western gunmen and outlaws and critically examines 425 titles most of which rate as burs under his saddle Ramon Adams plea is that the writers must stop compounding each other s errors into legend In this book with great skill and without malice he has pointed out past mistakes His book should be in the essential baggage of every writer on western outlaws and on every library shelf American West The value of this book to writers and historians of the badman tradition cannot be overestimated for Adams has replaced rumors myths and falsehoods with documented historical facts It is a book for all conscientious students of and writers on the American West henceforth any writer of authentic Western history who refuses to check with Adams should be as the judge said to Billy the Kid in one legend hanged by the neck until dead dead dead Southwest Review **Milo Ryder and the T Bar Ranch** Lowell F.

Volk,2023-04-25 When Milo Ryder seeks to expand his cattle operation he hears about a ranch for sale in the San Luis Valley called the T Bar Ranch The ranch is owned by the bank after being raided by a band of Indians who killed the original owner and his family After Milo decides to buy the ranch he discovers an outlaw named Ike Evens squatting on the property and running the ranch as if he owns it Milo will have to force Ike to leave but what will be the repercussions Will Ike be satisfied to keep his fight man to man with Milo Or will he target all that Milo holds dear his wife and his home spread at Purgatoire

Badman's Pass R. W. Stone,2018-07-01 Badger Kershaw was becoming a familiar figure on the frontier after the War between the States Riding an Appaloosa with Lobo his dog wolf hybrid often by his side he was feared by most outlaws on the dodge on whom there was a bounty It was not a savory profession perhaps but Kershaw was honest about what he did Frontier lawmen for the most part were accustomed to dealing with Kershaw When the fugitive was willing to surrender which was less frequent than it might be thought Kershaw would bring in an outlaw alive but it was not an option he encountered very often Generally it was one man against another but in what would possibly be Badger Kershaw s greatest feat the odds were quite different Colonel Benjamin Grierson had been Kershaw s commanding officer during the War between the States When years after the war s end Grierson s daughter was one of the four women seized in a train hold up and taken prisoner Grierson appealed again to the man who had once served under him to rescue the women from the outlaw gang Kershaw surprised the army when he chose to do the job entirely alone despite the incredible odds against him

Such Men As Billy the Kid Joel Jacobsen,1997-07-01 A lively lucid compelling account of complex and confusing events about which scholars are still puzzling WASHINGTON TIMES This story of greed violence and death has entered American folklore through the mythologizing of the career of Billy the Kid and also through a tendency to see the Lincoln County War as emblematic of frontier lawlessness Illustrations **Reports to the General Assembly of Illinois at Its ... Difficulties Illinois. General Assembly. Senate, 1846 *Red Sky Morning* Joe Pappalardo, 2022-06-28 The explosive and bloody true history of Texas Rangers Company F made up of hard men who risked their lives to bring justice to a lawless frontier Between 1886 and 1888 Sergeant James Brooks of Texas Ranger Company F was engaged in three fatal gunfights endured disfiguring bullet wounds engaged in countless manhunts was convicted of second degree murder and rattled Washington D C with a request for a pardon from the US president His story anchors the tale of Joe Pappalardo s *Red Sky Morning* an epic saga of lawmen and criminals set in Texas during the waning years of the Old West Alongside Brooks were the Rangers of Company F who ranged from a pious teetotaler to a cowboy fleeing retribution for killing a man They were all led by Captain William Scott who cut his teeth as a freelance undercover informant but was facing the end of his Ranger career Company F hunted criminals across Texas and beyond killing them as needed and were confident they could bring anyone to Ranger justice But Brooks men met their match in the Conner family East Texas master hunters and jailbreakers who were wanted for their part in a bloody family feud The full story of Company F s showdown with the Conner family is finally being told with long dead voices heard for the first time This truly hidden history paints the grim picture of neighbors and relatives becoming snitches and bounty hunters and a company of Texas Rangers who waded into the conflict only to find themselves in over their heads and in the fight of their lives **Faded Dreams** Daniel Fitzgerald, 1994 This work takes the reader on a journey round the state of Kansas visiting 106 towns such as Palermo Fostoria and Old Clear Water and examining why they have declined or been abandoned
