How to Get More from Your Satnav R. T. Scanlon, 2012 Do you use a satnav or smartphone satnav app If so How to Get More from Your Satnav is for you This unique exploration of the satnav by an experienced professional driver provides a penetrating analysis of the difficulties and problems associated with using it In addition a wealth of practical advice is offered and many fascinating insights The bells and whistles associated with satnavs are avoided and instead author Bob Scanlon concentrates on straightforward road navigation The problem of arriving at the wrong destination is given an in depth consideration and a simple practical solution offered Route planning is explored and a range of techniques are proposed to help Pointers are provided to advanced routing How you use your satnav on the move is a much neglected area of concern and guidance and advice is provided here too A review of a high specification satnav with HD live traffic is included and lastly the satnav as a concept is evaluated This is a sorely needed contribution to the practice of road navigation and provides an invaluable guide to getting more from your satnav **Help-Our-Planet-Earth (HOPE)** Paul Watterworth, 2015-09-01

Robert walked towards the hospital emergency entrance The smell of death was over powering Many of the cars blocking the ambulance entrance had their lifeless occupants slumped over the steering wheels or their heads propped against the car windows The sliding doors were propped open by more bodies of virus casualties Robert looked deeper into the dark hospital and turned around The hospital was not receiving more patients Jillian stared over the city of Hong Kong from the eighteenth floor of the luxury hotel Although it was the middle of the day the entire city was dead Not a car boat or person was moving The hotel had no water phone or electricity Despair washed over her as she thought of her children She prayed that her two boys survived the virus The problem was that they were a very large ocean away Adapting to the new world was difficult Finding and protecting your family was an even greater challenge *PC Mag* , 2005-11-08 PCMag com is a leading authority
