[I Was Pretty Sure About It](#) Shivani Sharma, 2025-09-09 Some love stories don't begin with a kiss They begin with silence Adhira is fearless driven always chasing the next dream Aarav is calm steady the kind of love that stays hidden in the quiet From childhood secrets to college corridors their bond was unshakable yet never defined No confessions No promises Just a connection that outlasted words But time doesn't wait for unspoken feelings And when Aarav walks away without warning Adhira learns what absence truly feels like Now years later fate brings them face to face not as best friends not as lovers but as strangers bound by memory In a world where timing is everything can love still find its voice Or was it always enough even in silence

Song Lyrics and Literary History Gunilla Hermansson, 2025-06-12 Paving new paths for the study of the history of literature this study explores the intricate networks of one single poem across two centuries the *Vrvindar friska* a poem meant to be sung The Swedish song *Vrvindar friska* Fresh Spring Breezes started its public life in 1828 between the covers of a book as a poem written to a traditional melody Since then it has been reprinted translated performed and used in the most surprising contexts in different corners of the world This particular case may be rather exceptional but Gunilla Hermansson argues that the underlying dynamics are not and yet they have been underexposed in studies of literary history This exploration of *Vrvindar friska* reveals the rich and intricate network of one text and uncovers new facets of how people have engaged with word art in their everyday lives in the modern era This network includes untraditional yet widespread uses of poetry and lyrics in lonely hearts columns and railway work and seemingly strange bedfellows such as a constellation of Nordic folk songs and American plantation songs The afterlives of this song evoke questions concerning class gender race citizenship

technology and modernity from new angles as well as theoretical and methodological questions of circulation textual instability canonization paradigmatic turns uses and misuses Song Lyrics and Literary History demonstrates how poetry is transformed when shared across time borders media and social and ideological divides Being attentive to poetry meant to be sung Hermansson argues opens to a fuller and more representative picture of the cultural history of literature
