*A Style and Usage Guide to Writing About Music* Thomas Donahue, 2010-04-01 In *A Style and Usage Guide to Writing About Music* Thomas Donahue presents a collection of guidelines to help express through the written word the special notations terms and concepts found in the discipline of music It concentrates on questions of style and format in the interest of good formal writing within the context of United States English so that writers may communicate their ideas clearly and effectively While compiling the guidelines Donahue reviewed content from many other music and general guides He documented the most common formats in order to assist the writer in selecting an appropriate format for the given circumstance when more than one may apply The book draws on profuse musically oriented examples and is arranged by topics both musical and typographic such as the proper use and spelling of composer names and musical concepts the use of notes pitches and octave delineations letters and numbers employed to describe form and harmony when where and how to apply compound words and hyphenation of terms and names and the proper citation of musical and audiovisual sources The book concludes with a glossary of typographic terms a bibliography and a comprehensive index making this a valuable resource for students scholars teachers and writers [A Strategic Guide to Technical Communication - Second Edition \(Canadian\)](#) Heather Graves, Roger Graves, 2011-12-20 *A Strategic Guide to Technical Communication* incorporates useful and specific strategies for writers to create aesthetically appealing and usable technical documentation These strategies have been developed and tested on a thousand students from a number of different disciplines over twelve years and three institutions The second edition adds a chapter on business communication reworks the discussion on technical style and expands the information on visual communication and ethics into free standing chapters Particular attention is paid throughout to the needs of Canadian students *The College Buzz Book* Carolyn C. Wise, Stephanie Hauser, 2007-03-26 Many guides claim to offer an insider view of top undergraduate programs but no publisher understands insider information like Vault and none of these guides provides the rich detail that Vault's new guide does Vault publishes the entire surveys of current students and alumni at more than 300 top undergraduate institutions Each 2 to 3 page entry is composed almost entirely of insider comments from students and alumni Through these narratives Vault provides applicants with detailed balanced perspectives *Ivory Tower Blues* James Cote, Anton L. Allahar, 2007-05-26 The present state of the university is a difficult issue to comprehend for anyone outside of the education system If we are to believe common government reports that changes in policy are somehow making life easier for university graduates we cannot help but believe that things are going right and are getting better in our universities *Ivory Tower Blues* gives a decidedly different picture examining this optimistic attitude as it impacts upon professors students and administrators in charge of the education system *Ivory Tower Blues* is a frank account of the contemporary university drawing on the authors own research and personal experiences as well as on input from students colleagues and administrators James E C t and Anton L Allahar offer an insider's account of

the university system an accurate alternative view to that overwhelmingly presented to the general public Throughout the authors argue that fewer and fewer students are experiencing their university education in ways expected by their parents and the public The majority of students are hampered by insufficient preparation at the secondary school level lack of personal motivation and disillusionment Contrary to popular opinion there is no administrative or governmental procedure in place to maintain standards of education Ivory Tower Blues is an in depth look at the crisis facing Canadian and American universities the factors that are precipitating the situation and the long term impact this crisis will have on the quality of higher education      Reception of Northrop Frye ,2021-09-23 The Reception of Northrup Frye takes a thorough accounting of the presence of Frye in existing works and argues against Frye s diminishing status as an important critical voice      **Fit to Print : the Canadian Student's Guide to Essay Writing** Joanne Buckley,1987      **John Galt** Regina Hewitt,2012-05-18 The essays in this volume revalue the work of the Romantic era Scottish writer John Galt connecting his methods and goals with Scottish Enlightenment conjectural historiography and with later social theorizing Emphasizing the construction representation and use of social knowledge the essays find new meaning in Galt s perceptions of the Atlantic and Mediterranean worlds in which he traveled his attitudes toward community building and progress and his innovations in fiction drama journalism and biography      Diversity and Change in Early Canadian Women's Writing Jennifer Chambers,2009-10-02 Diversity and Change in Early Canadian Women s Writing is a collection of nine essays thematically arranged dedicated to the works of women writing between 1828 and 1914 It is for all those readers who were certain that there had to be diverse interesting socially relevant voices in early Canadian women s writing It is equally for sceptics who will find that early Canada is not bereft of women writers or of writing of substance When Lorraine McMullen published the collection of essays Re dis covering Our Foremothers in 1990 she considered the field in its infancy As keen as literary historians and critics have been to assess the contributions of women to Canada s early cultural scene this collection moves beyond listing which women were writing in early Canada and brings together a study of their journalistic and literary works For a nation caught up in projects to enhance nation building and concerned with the development of its national literature the essays reconnect with early literary works by women Eighteen years after McMullen s this collection shows the progression along the path that hers initiated Working with theories of genre gender socio politics literature history and drama the essayists make cases not only for the women writing but also for the literary voices they created to work for diversity and social change in Canada      **Healthcare Writing** Michael A. **Active Learning in College Science** Joel J. Mintzes, Emily M. Walter, 2020-02-23 This book explores evidence based practice in college science teaching It is grounded in disciplinary education research by practicing scientists who have chosen to take Wieman s 2014 challenge seriously and to investigate claims about the efficacy of alternative strategies in college science teaching In editing this book we have chosen to showcase outstanding cases of exemplary practice supported by solid evidence and to include practitioners who offer models of teaching and learning that meet the high standards of the scientific disciplines Our intention is to let these distinguished scientists speak for themselves and to offer authentic guidance to those who seek models of excellence Our primary audience consists of the thousands of dedicated faculty and graduate students who teach undergraduate science at community and technical colleges 4 year liberal arts institutions comprehensive regional campuses and flagship research universities In keeping with Wieman s challenge our primary focus has been on identifying classroom practices that encourage and support meaningful learning and conceptual understanding in the natural sciences The content is structured as follows after an Introduction based on Constructivist Learning Theory Section I the practices we explore are Eliciting Ideas and Encouraging Reflection Section II Using Clickers to Engage Students Section III Supporting Peer Interaction through Small Group Activities Section IV Restructuring Curriculum and Instruction Section V Rethinking the Physical Environment Section VI Enhancing Understanding with Technology Section VII and Assessing Understanding Section VIII The book s final section IX is devoted to Professional Issues facing college and university faculty who choose to adopt active learning in their courses The common feature underlying all of the strategies described in this book is their emphasis on actively engaging students who seek to make sense of natural objects and events Many of the strategies we highlight emerge from a constructivist view of learning that has gained widespread acceptance in recent years In this view learners make sense of the world by forging connections between new ideas and those that are part of their existing knowledge base For most students that knowledge base is riddled with a host of na ve notions misconceptions and alternative conceptions they have acquired throughout their lives To a considerable extent the job of the teacher is to coax out these ideas to help students understand how their ideas differ from the scientifically accepted view to assist as students restructure and reconcile their newly acquired knowledge and to provide opportunities for students to evaluate what they have learned and apply it in novel circumstances Clearly this prescription demands far more than most college and university scientists have been prepared for

**Is Canada Postcolonial?** Laura Moss,2009-08-01 How can postcolonialism be applied to Canadian literature In all that has been written about postcolonialism surprisingly little has specifically addressed the position of Canada Canadian literature or Canadian culture Postcolonialism is a theory that has gained credence throughout the world it is be productive to ask if and how we as Canadians participate in postcolonial debates It is also vital to examine the ways in which Canada and Canadian culture fit into global discussions as our culture reflects how we interact with our neighbours allies and adversaries This collection wrestles with the problems of situating Canadian literature in the ongoing debates about culture identity and globalization and of applying the slippery term of postcolonialism to Canadian literature The topics range in focus from discussions of specific literary works to general theoretical contemplations The twenty three articles in this collection grapple with the recurrent issues of postcolonialism including hybridity collaboration marginality power resistance and historical revisionism from the vantage point of those working within Canada as writers and critics While some seek to confirm the legitimacy of including Canadian literature in the discussions of postcolonialism others challenge this very notion
