Francis A. Andrew,2017-09-13 The world of education is full of grammar books For most teachers and students of foreign languages grammar books are generally dry and dusty and only to be consulted on a reference basis However Who Said English Grammar Was Boring is not your conventional grammar book Its core dynamic is based upon a conversation between the author and an English language instructor colleague Apart from being an exposition of English grammar the book also incorporates advice on teaching methodology and practice exercises for students Apart from focusing on the four key areas of language learningreading writing listening and speakingthe book introduces another concept in the form of a practicum which asks the students to take turns in giving a lesson to their classmates on what they have learned It is hoped that this book will serve to take the monotony out of grammar learning **Yes, I Can Read!** Linda Klein Weisman,2013-05 Yes I Can Read was written for fourth graders through adults who are nonreaders beginning readers or struggling readers those who speak English as well as ESL learners The workbook was designed for learners who may be working with minimal assistance in a one on one small group or classroom setting and its reading levels range from 0 to 5 9 What you will find in Yes I Can

Read Flexibility Can be used as a decoding program or as a supplement to strengthen particular skills Explicit sequential phonics and the multi sensory approach Research based proven methods facilitate learning inspiring confidence in students Easy to use Designed for student success and mastery its predictable page format with completed examples illustrations phonetic pronunciations and symbols serve as cues for students Matching tracing word search and fill in the blank exercises reinforce learning Extensive reading vocabulary spelling tracing and handwriting practiced 2 000 plus words Age appropriate format Combination teacher s manual and student workbook This book is an abundant resource of phonetic exercises These exercises gave my student confidence and a momentum to move smoothly along in her reading efforts because once she finished the lessons and exercises she remembered how to spell and read the words This book is well organized and at your fingertips to use I am so glad to have found this resource Martha Wilson Literacy Tutor I wish I had this book when I was homeschooling my kids Susan Christensen
