## **The Better Life How To Create A Better Life:**

*HOW TO CREATE YOUR OWN WORLD - BOOK 1* Kamal Mahalingam, Ray DeCormier, 2022-08-22 Since you're reading this I will assume that you are looking for a way to achieve success, peace, and happiness in your life. Well, I believe you have come to the right place. Most definitions of success focus on attaining wealth. While I will not discount the importance of that, my definition of success also includes being in harmony with your nature, being happy with your relationships, and being satisfied with your vocation. Some people instinctively know how to achieve success. Consequently, they have figured out how to create their own world. Maybe you've met some of these people. What they all seem to have in common is a fulfillment within themselves, their mates, and especially with their calling. Unfortunately, most people do not share that feeling of success, especially as it relates to their job or career. If this is a concern for you, then maybe it's time to consider changing the way you've managed your work life. Let me be frank. The intent of this book is to help you find success by teaching you how to Create Your Own World. Although you can apply the concepts for Creating Your Own World to many facets of life, however, since a satisfying work life is so essential for happiness, much of what I will focus on is how to discover a rewarding work life, often referred to as your Calling. To achieve success, I believe you need to become enlightened in three distinct areas. First, you need to understand applied psychology, attitudes, and how your conscious and sub-conscious minds work. Next, you need to know how to harmonize with your true nature. In other words, finding your calling. By finding your calling, I mean discovering the career you should have, experiencing the peace you should embrace, and doing those activities that you conclude are enjoyable. Finally, to help you discover and actualize your calling, you need a successful process. Give me your undivided attention, and I will show you exactly what you need to do to discover and achieve an exciting career and a wonderful life.

**SHE DID IT** Elizabeth Fretty, 2023-06-24 Sarah's journey was filled with struggles and obstacles, including addiction, unemployment, and the dangers of the drug world. Despite this, she was able to make positive changes in her life, including finding a supportive community, creating a steady source of income, and staying away from dangerous situations. Through her struggles, Sarah learned important lessons about taking control of her life, persevering through adversity, and finding true happiness and fulfillment in life's simple pleasures. She was grateful for the support of her family, friends, and rehab counselors, and looked forward to building a brighter future for herself and her children. Overall, Sarah's journey showed that with hard work, determination, and a supportive community, it is possible to overcome even the most difficult challenges and create a better life for oneself and one's loved ones.

[The Spiritual Path: How to Create Heaven on Earth](#) Lily Rose, 2019-11-25 If happiness is found within and not in some form of external material trappings, would you let go and let God provide for all your needs? Knowing this, would you make choices that are for the highest good of all concerned? In *The Spiritual Path: How to Create Heaven on Earth*, ordained CSL minister Lily Rose works to inspire humankind to create a culture of positivity filled with solution-oriented people living harmonious, virtuous lives. Purpose of this Collection What are our obligations with respect to persons who have not yet and may not ever come into existence Few of us believe that we can wrong those whom we leave out of existence altogether that is merely possible persons We may think as well that the directive to be fruitful and multiply and replenish the earth 1 does not hold up to close scrutiny How can it be wrong to decline to bring ever more people into existence At the same time we think we are clearly obligated to treat future persons persons who don t yet but will exist in accordance with certain stringent standards Bringing a person into an existence that is truly awful not worth having can be wrong and so can bringing a person into an existence that is worth having when we had the alternative of bringing that same person into an existence that is substantially better We may think as well that our obligations with respect to future persons are triggered well before the point at which those persons commence their existence We think it would be wrong for example to choose today to turn the Earth of the future into a miserable place even if the victims of that choice do not yet exist
