The Club Chronicles Part Three:

The Book Club Chronicles Joan H. Parks, 2021-08-26 The ladies keep trying to find an easier Shakespeare play to study and decided upon *As You Like It* a comedy As they start reading it they discover that it is complicated Most of the plot is confined to Acts 1 and 5 They use a Globe version on a DVD and use it and the text for study They reflect upon the friendship between Rosalind and Celia and how it changes throughout the play Celia being dominant until Rosalind disguises herself as a boy when she becomes the leader Their reading deepens as they witness their own responses to this very female tale All wrestle with their physical aging and the threats and advantages of retirement They reflect on the intensely lyric nature of *As You Like It* and the many subversions subtle or not that Shakespeare wrote into this beloved play They wrestle with their own love stories late life marriages and the how their pasts haunt their present as they struggle to make sense of this simple on the surface but very complicated theatrical play Most of all once again they as a group revel in the beautiful language of Shakespeare that pierces their hearts and at the same time uplifts them **The Book Club Chronicles—Part Six—The Tempest** Joan H. Parks, 2018-03-28 The storms of autumn arrive and the storms of their lives continue The ladies decide to study Shakespeares *The Tempest* wrongly thinking that a comedy will be easier than another of the big tragedies Finding a suitable filmed version is difficult reading the text is even more difficult They struggle seeing in this late play parts that mirror their own experiences Claire and Henry struggle in their late life marriage with the debris and assumptions from their earlier marriages Annie fights against the physical constraints that come with her aging as Bill wrestles with what he will do after retirement Katherine is haunted by her past and her brush with cancer and has trouble accepting that Mark is in her life for the duration Frannie now has grandchildren and a measure of happiness because she has faced the demons of her upbringing The new members of the book club Sally and Clarissa have their own issues as their long standing friendship shatters Clarissa is rejuvenated by one new passion and one old passion All this occurs and is illuminated by their reading of the glorious music and the strange plots of *The Tempest* *The Book Club Chronicles, Part Four - Macbeth* Joan H. Parks, 2015-06-08 The ladies having completed their study of *Romeo and Juliet* move on to *Macbeth* It is February in Chicago a dreary month that seems to last forever The skies are grey the streets cold and dangerous a setting that mirrors *Macbeth* The three witches who make their target *Macbeth* the ghosts who torment *Macbeth* and his consort Lady *Macbeth* resonate with what is happening in their own lives Katherine is haunted by the certainty that her cancer will recur and is terrified that she will die alone Franny is tormented by the ghosts from her past that she thought she had escaped by marrying Sam Annie reconciled with Bill is worried about the fate of the artists writers and doctors in a culture that exploits those who do the actual work Claire is disturbed by the play and the pain it is causing her and her friends All are intensely aware of how little time is left to them and how precious that remaining time is Changes welcome or not come to all the ladies The Book Club and their friendships provide sustenance and comfort in this unsettled time of their lives *Amarna* Joan H

Parks,2019-01-26 Part Eight of the Late Bronze Age Stories has Nahid driven by prophetic dreams leaving the hills above the Great Green Sea With Bakiri and his band of protectors he sets out for Egypt Bakiri s home and then to Amarna where their ancestor Thutmose created his greatest work Amarna was dismantled when the heretic pharaoh Akhenaten died but Nahid is sure that a treasure still exists for him to find Bakiri s daughter Rabiah and Nahid fall in love and they meld his jewelry and her linen garments He has found his mate and perhaps the treasure he was meant to find She insists on being a part of the trip to Amarna In the course of finding the treasure Rabiah is put in great danger and they have to flee Amarna to save Rabiah Nahid further matures into a wise and protective mate to Rabiah All are astonished at the secrets revealed by their quick journey to Amarna The artists will forever have the images of the great art they have witnessed in their minds and hearts **Trygve** Joan H. Parks,2022-08-01 Part 10 of the Late Bronze Age Stores has the kin near the great trade route in what today is Northern Lebanon Times are desperate Predators attack from both sea and land Trygve of the Northerners has to decide about joining with the Kin The leaders of the Kin have to decide about joining with Trygve and his people Dalil the storyteller has returned to the Kin after many years of roaming The two groups learn each other s languages and stories as they prepare for what may be another great migration **Muti** Joan H. Parks,2025-04-09 Abstract for Muti In the time after the Great Destruction the Kin in their remote mountain fastness increase their patrols of land and sea to fend off any of the many who would destroy them Their enemies could be the dreaded Hittites the still powerful Egyptians or the newly powerful Phoenician traders or any others who desperate and ambitious seek to conquer them As they figure out their strategy amidst all the killing life goes on the young are attracted to one another there are romantic rivalries babies are born the old die the traders trade the soldiers train the artists create the leaders lead they hope with honor All must consider of the meaning of their lives and how they live them Penelope and the Lawyers Joan H. Parks,2024-07-10 Penelope asks for help from the lawyer she once knew He is retired but his nephew takes care of her She pays a call to the old gentleman in his aerie above Lake Shore Drive Thus this tale of a love deferred commences in all its humor realism sweet moments of recounting the drama of their long lives and finally acceptance of their fates *Nahid* Joan H. Parks,2017-07-11 The Late Bronze Age Stories part seven Nahid continues the story of this family who are descended from Thutmose the eighteenth dynasty Egyptian artist It is unsafe for the kin to remain in northern Mesopotamia for a tribe led by an ambitious man threatens their very existence Petros the Wise and Kaliq have devised an intricate strategy to move the outnumbered kin to a safer place but because they have a traitor in their midst they can tell no one of their plans Nahid a young jeweler sets out along the trade route to locate and bring back lapis Will his great gifts for jewelry be damaged by the violence he sees Much is changed during the course of the adventures Nahid matures as a man and as an artist The Bedouin and Serena thrown together by his injury become closer their lives forever intertwined The kin have to decide whether to honor the traditions of their kin or succumb to the surrounding violence and chaos *Sigrid* Joan H. Parks,2024-05-17 Sigrid a Healer after enduring rapes and

beatings in her captivity cannot bear to be touched until an Egyptian soldier wins her trust This volume again meditates on the nature of heroism how myths are made and how this small tribe survives and attracts the talented in the midst of the tumult of their time *The Gold of the North* Joan H. Parks,2015-10-26 Alimah torn between her love for Kaliq and her need to develop her gifts for song and dance stays in The Land of the One River With her Uncle Bakiri and a small band of protectors they stay near the school where she can learn more of her arts Enemies lurk at the school but neither she nor Bakiri can tell who they are or why Alimah is the target At the school she and The Golden One who comes from the far north are dazzled by each other and both shunned by the other students become friends Attacked he escapes to warn Alimah and her protectors of her danger Still not knowing the reasons Bakiri The Golden One and Alimah and all their protectors seek refuge in the homes of those who breed and protect the famous war mares They are hunted by those who wish to capture them Thrown together by violence and constantly on the move Alimah and Havardr witness the savage forces let loose by the Great Destruction They come together At the end of the late bronze age where the world that they knew is being destroyed these two lovers must make hard choices between the desires of their hearts and the duties that they owe to their own kin If they part as it seems they must they will never hold each other again But unseen by others deep in their hearts the memories will endure **The Book Club Chronicles - Part Five - Hamlet** Joan H. Parks,2016-07-30 It is early fall when the ladies reconvened their book club At Katherines suggestion they continued with Shakespeare and studied Hamlet using the text and the version filmed with Sir Patrick Stewart as Claudius as their base Surprised at their reaction to the characters in Act 1 they quickly realized that seen through the filter of their age and gender that they were the ones most able to mount a defense of Gertrude They added the Sir Kenneth Branagh version of Hamlet as contrast Their study of the play is reflected in the talks with the males in their lives Claire is newly married and her Henry is determined to hold on to his corner office Annies husband Bill is facing the end of his career which will effect her in unpredictable ways Franny slowly recovering with the help of her therapist wants to reconcile with Sam and her children Katherine is convinced that her liaison with Mark will not endure and is determined to enjoy her remaining time with him A new member welcomed gingerly into the book club turns out to be a good addition The ladies struggled with both the play and with the awareness that because of their age they and all their friends and mates were seen as obsolete *Two Brothers* Joan H. Parks,2021-05-12 Part Nine of the Late Bronze Age Stories has the brothers Diripi and Arudara returning to the kin in the season of storms acquire a mysterious passenger Diripi knowing himself to belong on the sea wonders if loneliness is his fate Arudara a gifted artist as well as a sailor and trader needs to spend time on his art Maeve from the north country is conflicted by her haunting past and her present duty At the close of the bronze age all is in flux trade routes are destroyed empires are being dismembered danger and bloodshed is everywhere trust is dangerous How does the kin survive in these hard times How can Diripi Arudara and Maeve make a living and live their lives *Dalil* Joan H. Parks,2015-03-10 After their adventures in the land of the one river

the kin set out to return to their families Along the Great Green Sea they shelter in a valley from a sudden storm and come upon a fever ridden traveler who under Dalils care survives and regains her health A band of rough men arrive intent on capturing her for reasons that are mysterious She needs protection but finds it hard to trust the people whom she has fallen among They protect her time and time again from those who would seize her She gradually comes to trust Dalil and to see that she must tell him and all their companions why she is being hunted The girl tells them of her past and her name Knowing her story and why she is in danger the kin devise strategies to insure her safety If she wishes to remain with them they vow to protect her Dalil discovers that she is the true partner in his craft of story telling and that she like he can change her appearance and speech into that of another On the journey to Ugarit and then on to where the kin reside on the ancient trade route they develop their story telling gifts The rest of the kin look at them with wonder and then appreciation Petros and Kaliq the protectors plot how their emerging gifts can be of use to the kin
