the Next Timothy Santos,2018-02-08 The book is a topical commentary and Bible reference based on the Scriptures from the Old and New Testaments After the introduction the first section explains the Messiah s purpose and focuses on the foundations for salvation through the Messiah The second section focuses on emotional topics and how they affect your relationship with the Messiah The root of many emotional issues is caused by bitterness so the causes of bitterness and forgiveness are explained in simple terms easily understood by the reader and how they affect salvation Next the reader

explores love compassion mercy pride and humility and how they affect their relationship with God Digging deeper into the emotional issues the reader learns God s definition for lust and purity of heart The next section deals with the intangible issues in the reader s life This includes faith sanctification repentance and the importance of total surrender to God The holy Spirit is explained in detail with an emphasis on His purpose for you Section four covers some of the symbolism in the Bible and tries to help the reader see things from the cultural view of Jesus time The desire is to help the reader understand how symbolism points to salvation and the importance of events symbolically Section five covers almost all the parables of Jesus found in the Gospels The parables are grouped into broad categories including The Kingdom of God Service and Obedience Prayer Humility God s Love Jesus Return and God s Values The parables are explained in detail using the cultural setting of Jesus time Section six is a brief overview of biblical history and Israel s history The next section begins with a discussion about the rapture at Christ s second coming The various points of view are discussed Then the anti Christ and False Prophet are explained Revelation is covered extensively but not by analyzing the symbolism The first article is Don t fear the book of Revelation followed by Revelation The real Message These articles explain the purpose and message for Revelation and try to remove the fear factor that most people feel The final section is designed to challenge your thinking and bring you closer to God

Biblical and Theological Foundation of the Family Joseph C. Atkinson, 2014 *Biblical and Theological Foundations of the Family* argues that the family has a constitutive nature and a specific theological purpose which God reveals in the church Joseph Atkinson investigates the principles of the doctrine of Creation which inform the family from the beginning the vital way the family functions as carrier of the covenant in the Old Testament and the critical aspects of Hebraic anthropology especially corporate personality upon which the family is based This book provides a counter argument to the view of the human person developed in modern thought and which prevails today the autonomous self determining individual with no essential nature or social or ecclesial aspects Atkinson discusses the constitutive corporate nature of the human person and how the covenantal family of the Old Testament finds its fulfillment in Jesus Christ The author does so by investigating how baptism transforms the family and gives it an ecclesial identity making it a domestic church He then examines the development of the family s ecclesial nature in the church fathers and the providential re appropriation of the family s inner ecclesial identity in the teachings of the Second Vatican Council and in subsequent magisterial teachings This ground breaking work establishes a solid biblical and theological foundation on which a theology of the family can be constructed It thus fills a critical lack in the current literature on the family The wide range of sources including Jewish Catholic Orthodox and Protestant give this work a genuine ecumenical dimension *Biblical and Theological Foundations of the Family* will become indispensable for anyone wanting to engage in serious study of the structure and meaning of the family and its place in the salvific will of God
