

Introduction to Leadership

- **Leadership** can be defined as one's ability to influence and motivate others to bring the best out in them. It focuses on encouraging individuals to add more to the effectiveness of an organization. Leadership is often defined as a process wherein an individual influences or encourages others to achieve the organizational objectives and direct the organization so that it becomes more coherent and cohesive to work.
- Moreover, a person who can bring out the change is the one who possesses the ability to be a leader. A good leader is the one who
