TV Guide ,1997 **Patent Landscape Report on Assistive Devices and Technologies for Visually and Hearing**

Impaired Persons World Intellectual Property Organization,2015-06-26 This is the first report of the WIPO Patent Landscape Report series in the area of disabilities It presents research on various assistive devices and technologies includes an analysis on the geographical distribution of patent protection of these technologies and features business data on major patent portfolios as well as a round up of key innovators Additionally the report touches on technologies serving the same goals as the Marrakesh Treaty and the Accessible Book Consortium ABC namely those facilitating access of visually and hearing impaired persons to published works **The Electronic Church in the Digital Age** Mark Ward Sr.,2015-11-10

This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution s modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today s Christian subculture while the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today s religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accomodate both secular and religious voices **High Speed Access Report , Broadcasting & Cable** ,2008-10 **F & S Index United States Annual** ,2006 Lone Star Guide to the Dallas/Fort Worth Metroplex,

Revised Robert R. Rafferty,Loys Reynolds,2003-08-18 The Dallas Fort Worth Metroplex is a nearly 40 mile long mega metropolitan area anchored by Dallas on one end and Fort Worth on the other with the area between filled in with more than a dozen attractive interconnected cities Among the unheralded facts about these interlocking cities are that they contain more restaurants per capita than New York City 5 000 in Dallas alone are home to all the major professional sports including NASCAR and rodeo and house 30 museums This guidebook gives readers detailed information on the wide range of choices in lodging restaurants and everything worth seeing and doing not only in Dallas and Fort Worth but in eleven of the smaller cities between the two They include Addison Arlington Farmers Branch Garland Grand Prairie Grapevine Irving Mesquite North Richland Hills Plano and Richardson In addition to the categories one would normally expect in a guide book the authors have started each city listing with a description of free visitor services as well as Bird s Eye View spots great places to get a panoramic view of the city In Arlington it s the top of an oil derrick at Six Flags Finally for the truly adventurous

there are plenty of Offbeat places of unusual interest that don't fit into the routine tourist categories *Souvenir Guide to Dallas, Texas* D M Anderson Directory Company, 2017-01-30 In the poet's view dreams are visitors from the ivory gate or children of an idle brain but science is more prosaic and teaches that dreams may be realities In history we have many iridescent dreamers in fact all our great men have been such and in many instances the dream has surpassed all human expectations Little did the young lawyer John Neely Bryan as he pitched his lonely tent on the banks of the Trinity river in 1840 dream that he was the founder of a city which was to be the future metropolis of the South Wonderful has been the growth and unparalleled the expansion of this whole Republic within the last decade but no section has ever seen such wonderful development as has enterprising Dallas In 1870 the population was 1700 but fortunately for Dallas the accursed spirit of division which has blighted the fair prospects of many a young city was unknown here Great enterprises and boundless public spirit were stamped on every feature of the city Enterprise and industry have achieved results as startling as the wave of the magician's wand and in this atom of time has sprung up as if it were by magic a city with a population of 61 855 souls Nor has the march of development slackened but the watch word is still Onward and Dallas is ranked among the largest and most progressive cities of the South
