 Antique and Christian Nubia** Laurence Kirwan,T. Hägg,D.A. Welsby,2024-10-28 Gathered together here are the fruits of
 60 years of research by the late Sir Laurence Kirwan into the history and archaeology of the mid 1st millennium AD in the
 Middle Nile Valley papers previously scattered through a wide range of publications Kirwan s fieldwork in the region
 undertaken between 1929 and 1936 kindled a life long interest in the transition from the pagan Kushite kingdom to the

medieval Nubian states of Nobadia Makuria and Alodia Alwa and of their conversion to Christianity in the 6th century AD The 25 studies one published here for the first time were often of seminal importance when they first appeared the author being exemplary in his use of the written sources to elucidate the archaeological data As the preface by the editors shows the views expressed remain fundamental to modern scholarship offering valuable insights into this still relatively obscure period of transition from the ancient to the medieval world **Studies in Intelligence** ,2010 **Animal lives worth living** Ruth C. Newberry,Bjarne O. Braastad,2023-11-20 The main theme of this year s congress is Animal lives worth living This theme focuses on our responsibility for all animals kept or influenced by humans to ensure that we can provide a life for them that takes into account all relevant aspects of animal welfare aided by applied ethology as the key scientific discipline This not only means avoiding and alleviating suffering but also promoting resilience and positive experiences By monitoring and interpreting animal behaviour we gain important insights into each of these aspects of quality of life **Unveiled** Perry L. Westmoreland,2007-04 Unveiled is a five hundred year old story about a beautiful Bedouin Jasmine and her relationship with her two sons The older boy is a Moslem who is half Sunni and half Shiite and her younger son is a Christian Religious terrorism currently hangs heavily upon men s hearts and minds An advancement of one religious cult over another is not a suitable answer We need to come to grips with this growing plague and understand the reasons for this fatal affliction As reported in this tale of an ancient time the causes of religious terrorism have more to do with the abuses of power by the world s governmental and spiritual leaders who encourage religious terrorism than with the religions themselves Unveiled provides some of the reasons and explanations that can lead us to a solution to this dilemma facing our shrinking planet
