Rhetorical Healing Tamika L. Carey, 2016-09-30 Since the Black women s literary renaissance ended nearly three decades ago a profitable and expansive market of self help books inspirational literature family friendly plays and films marketed to Black women has emerged Through messages of hope and responsibility the writers of these texts develop templates that tap into legacies of literacy as activism preaching techniques and narrative formulas to teach strategies for overcoming personal traumas or dilemmas and resuming one s quality of life Drawing upon Black vernacular culture as well as scholarship in rhetorical theory literacy studies Black feminism literary theory and cultural studies Tamika L Carey deftly traces discourses on healing within the writings and teachings of such figures as Oprah Winfrey Iyanla Vanzant T D Jakes and Tyler Perry revealing the arguments and curricula they rely on to engage Black women and guide them to an idealized conception of wellness As Carey demonstrates Black women s wellness campaigns indicate how African Americans use rhetorical education to solve social problems within their communities and the complex gender politics that are mass produced when these efforts are commercialized

Critical Race Theory Kimberlé Crenshaw, Neil Gotanda, Gary Peller, Kendall Thomas, 1995 In the past few years a new generation of progressive intellectuals has dramatically transformed how law race and racial power are understood and discussed in America Questioning the old assumptions of both liberals and conservatives with respect to the goals and the means of traditional civil rights reform critical race theorists have presented new paradigms for understanding racial injustice and new ways of seeing the links between race gender sexual orientation and class This reader edited by the principal founders and leading theoreticians of the critical race theory movement gathers together for the first time the movement s most import essays Back cover

AfroLatinas and LatiNegras Concetta Bondi, Rosita Scerbo, 2022-11-28 AfroLatinas as a subject of scholarship are woefully underrepresented and this edited volume AfroLatinas and LatiNegras Culture Identity and Struggle from an Intersectional Perspective offers an important and timely intervention The consistent attention to AfroLatinas agency across all the chapters is empowering and attentive to the difficult circumstances of asserting that agency and to the tremendous breadth of what agency can look like The authors argue for the analytical power of the concept of Intersectionality while considering the hegemonic pressures on AfroLatinidad and the essentializing moves that an intersectional approach enables evading overthrowing and resisting systems of power Through the study of multiple cultural expressions of Blackness such as photography colonial inquisition records dance music fiction non fiction poetic

memoir and religious expression and throughout different region of the Americas the chapter contributors of this book consider the relationship that social and historical processes such as sovereignty and colonialism have on narrative and cultural production Rosita Scerbo Concetta Bondi and the contributors acknowledge that racial and gender equity cannot exist without Intersectionality and the inclusion of activist voices broadens this volume s reach and links theory to praxis

Gender Talk Johnnetta B. Cole,Beverly Guy-Sheftall,2009-01-16 Why has the African American community remained silent about gender even as race has moved to the forefront of our nation s consciousness In this important new book two of the nation s leading African American intellectuals offer a resounding and far reaching answer to a question that has been ignored for far too long Hard hitting and brilliant in its analysis of culture and sexual politics Gender Talk asserts boldly that gender matters are critical to the Black community in the twenty first century In the Black community rape violence against women and sexual harassment are as much the legacy of slavery as is racism Johnnetta Betsch Cole and Beverly Guy Sheftall argue powerfully that the only way to defeat this legacy is to focus on the intersection of race and gender Gender Talk examines why the race problem has become so male centered and how this has opened a deep divide between Black women and men The authors turn to their own lives offering intimate accounts of their experiences as daughters wives and leaders They examine pivotal moments in African American history when race and gender issues collided with explosive results from the struggle for women s suffrage in the nineteenth century to women s attempts to gain a voice in the Black Baptist movement and on into the 1960s when the Civil Rights movement and the upsurge of Black Power transformed the Black community while sidelining women Along the way they present the testimonies of a large and influential group of Black women and men including bell hooks Faye Wattleton Byllye Avery Cornell West Robin DG Kelley Michael Eric Dyson Marcia Gillispie and Dorothy Height Provding searching analysis into the present Cole and Guy Sheftall uncover the cultural assumptions and attitudes in hip hop and rap in the O J Simpson and Mike Tyson trials in the Million Men and Million Women Marches and in the battle over Clarence Thomas s appointment to the Supreme Court Fearless and eye opening Gender Talk is required reading for anyone concerned with the future of African American women and men

Critical Praxis Research Tricia M. Kress,2011-08-17 Critical Praxis Research CPR is a teacher research methodology designed to bridge the divide between practitioner and scholar drawing together many strands to explain the research process not just as something teacher researchers do but as a fundamental part of who teacher researchers are Emphasizing the researcher over the method CPR embraces and amplifies the skills and passions teachers naturally bring to their research endeavours Emerging from the tradition of critical pedagogy Critical Praxis Research Breathing New Life into Research Methods for Teachers transcends longstanding debates over quantitative vs qualitative and scholar vs practitioner research The text examines the histories and current applications of common methodologies and re

conceptualizes the ways that these methodologies can be used to enhance teachers identities as practitioners and researchers It also provides a critical examination of the role of Institutional Review Boards and explores the complexity and ethics of data collection data analysis and writing Through guiding questions and writing prompts the author encourages readers to think through the process of design and conducting CPR The text is theoretically rich but written in an accessible style infused with metaphor irony and humour Critical Praxis Research Breathing New Life into Research Methods for Teachers is both instructive and uplifting sending the message that research is difficult but also joyful like life itself

Color - Class - Identity John Arthur, Amy Shapiro, 2018-02-12 Three recent and dramatic national events have shattered the complacency of many people about progress however fitful in race relations in America The Clarence Thomas Anita Hill hearings the O J Simpson trial and the Million Man March of Louis Farrakhan have forced reconsideration of their assumptions about race and racial relations The Thomas Hill hearings exposed the complexity and volatility of perceptions about race and gender The sight of jubilant blacks and despondent whites reacting to the O J Simpson verdict shook our confidence in shared assumptions about equal protection under the law The image of hundreds of thousands of black men gathering in Washington in defense of their racial and cultural identity angered millions of whites and exposed divisions within the black community These events were unfolding at a time when there seemed to be considerable progress in fighting racial discrimination On the legal side discrimination has been eliminated in more and more arenas in theory if not always in practice Economically more and more blacks have moved into the middle class albeit while larger numbers have slipped further back into poverty Intellectually figures like Cornel West Henry Louis Gates Jr and Patricia J Williams are playing a central role as public intellectuals In the face of these disparate trends it is clear that Americans need to rethink their assumptions about race racial relations and inter racial communication Color Class Identity is the ideal tool to facilitate this process It provides a richly textured selection of readings from Du Bois Cornel West Derrick Bell and others as well as a range of responses to the particular controversies that are now dividing us Color Class Identity furthers these debates showing that the racial question is far more complex than it used to be it is no longer a simple matter of black versus white and racial mistrust A landmark anthology that will help advance understanding of the present unease not just between black and white but within each community this book will be useful in a broad range of courses on contemporary U S society

The Public Nature of Private Violence Martha Albertson Fineman, 2013-02-01 Explores diverse feminist and legal responses to domestic violence across cultures Argues that domestic violence must be viewed in its social and cultural context and offers suggestions for those dealing with incidents of abuse *The Hip-Hop Generation* Bakari

Kitwana, 2008-08-05 The Hip Hop Generation is an eloquent testament for black youth culture at the turn of the century The only in depth study of the first generation to grow up in post segregation America it combines culture and politics into a pivotal work in American studies Bakari Kitwana one of black America s sharpest young critics offers a sobering look at this

generation's disproportionate social and political troubles and celebrates the activism and politics that may herald the beginning of a new phase of African American empowerment

Foundations of Critical Race Theory in Education

Edward Taylor, David Gillborn, Gloria Ladson-Billings, 2023-01-30 Critical Race Theory CRT is at the forefront of contemporary discussions about racism and race inequity in education and politics internationally. The emergence of CRT marked a pivotal moment in the history of racial politics within the academy and powerfully influenced the broader conversation about race and racism in the United States and beyond. Comprised of articles by some of the most prominent scholars in the field, this groundbreaking anthology is the first to pull together both the foundational writings and more recent scholarship on the cultural and racial politics of schooling. The collection offers a variety of critical perspectives on race, analysing the causes, consequences, and manifestations of race, racism, and inequity in schooling. Unique to this updated edition is a variety of contributions by key CRT scholars published within the last five years, including an all-new section addressing the war on CRT that followed the murder of George Floyd and international protests in support of Black Lives Matter. Each section concludes with a set of questions and discussion points to further engage with the issues discussed in the readings. This revised edition of a landmark publication documents the progress of the CRT movement and acts to further spur developments in education policy, critical pedagogy, and social justice, making it a crucial resource for students and educators alike.

Sisters of the Yam bell hooks, 2014-10-03 In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of Black women has been and continues to be impacted by sexism and racism. Desiring to create a context where Black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of Black womanhood.

Who Got the Camera? Eric Harvey, 2021-10-05 Reality first appeared in the late 1980s in the sense not of real life but rather of the TV entertainment genre inaugurated by shows such as *Cops* and *America's Most Wanted*, the daytime gabfests of Geraldo, Oprah, and Donahue, and the tabloid news of *A Current Affair*. In a bracing work of cultural criticism, Eric Harvey argues that reality TV emerged in dialog with another kind of entertainment that served as its foil while borrowing its techniques: gangsta rap. Or, as legendary performers Ice Cube and Ice T called it, reality rap. Reality rap and reality TV were components of a cultural revolution that redefined popular entertainment as a truth-telling medium. Reality entertainment borrowed journalistic tropes but was undiluted by the caveats and context that journalism demanded. While N.W.A.'s *Fuck tha Police* countered *Cops*' vision of Black lives in America, the reality rappers who emerged in that group's wake, such as Snoop Doggy Dogg and Tupac Shakur, embraced reality's visceral tabloid sensationalism, using the media's obsession with Black criminality to collapse the distinction between image and truth. Reality TV and reality rap nurtured the world we live in now, where politics and basic facts don't feel real until they have been translated into mass-mediated
