Pandit, Nothing provided      *Tilopa's Mahamudra Upadesha* Sangyes Nyenpa Rinpoche, 2025-11-04 All lineages of Mahamudra meditation have their source in a verse teaching a song of realization sung by the Mahasiddha Tilopa to his disciple Naropa on the banks of the Ganges River more than a thousand years ago Since that time the meaning of Tilopa's instructions has been passed directly from master to disciple in a continuous stream that exists unbroken to this day This book offers the reader a rare glimpse into the Mahamudra oral transmission given in a traditional Tibetan context by one of the lineage's most learned and accomplished contemporary masters Mahamudra meditation while highly advanced is yet simple practical and accessible for anyone because what is identified and meditated upon is the very nature of one's own mind In Sangyes Nyenpa Rinpoche's words The distinction between deception and liberation lies in whether we understand the ever present nature of our own mind or not Knowing our own face is liberation not knowing our own face is samsara This is not something far distant from us The instructions are ideal for Westerners because the root text is manageable and Rinpoche has provided an outline of his own composition that makes it easily understandable He explains terminology with frequent comparisons between Dzogchen and Mahamudra quotes prolifically from scripture gives clear examples and generally cajoles admonishes and encourages his listeners to be true to their own spiritual path      The Burn Zone Renee Linnell, 2025-07-30 After seven years of faithfully following her spiritual teacher Renee Linnell finally realized she was in a cult and had been severely brainwashed But how did that happen to someone like her She had graduated magna cum laude with a double degree She had traveled to nearly fifty countries alone before she turned thirty five She was a surf model and a professional Argentine tango dancer She had started five different companies and had an MBA from NYU How could someone like her end up brainwashed and in a cult The Burn Zone is an exploration of how we give up our power how what started out as a need to heal from the loss of her parents and to understand the big questions in life could leave a young woman fighting for her sanity and her sense of self In the years following her departure from the cult Linnell struggled to reclaim herself to stand in her truth and to rebuild her life And eventually after battling depression and isolation she found a way to come out the other side stronger than ever Part inspirational story part cautionary tale this is a memoir for spiritual seekers and those who feel lost in a world that makes them feel less than perfect      **Hymns and Sacred Songs** Deseret Sunday School Union, 1888      **The Nectar of Manjushri's Speech** Kun-bzang-dpal-ldan (Mkhan-po.), 2007 This is an authoritative comprehensive explanation of Shantideva's classic Tibetan Buddhist text The Way of the Bodhisattva      *Belligerent Minds* Adam Durand, 2016-10-18 A once wealthy and powerful business titan in the fuel industry Gabriel finds himself in a desolate wasteland A region once independent with culture and life now sits tarnished and burnt in the palms of
