

## **Valedictory speech**

### **"WE ARE DESTINED FOR GREATNESS"**

Chief Guest, The Chancellor, Vice Chancellor, Deputy Vice-Chancellors Principals of Colleges, Deans, Directors, our beloved teachers, parents my colleague graduands and all protocols observed; Distinguished Guest, Ladies and Gentlemen. Good morning!

I am humbled to address such a wonderful gathering here today – all under the umbrella of cherishing success. History brings us here through a long winding trip that can only be defined by the faithful as a miracle. It is a miracle to those of us who only witnessed others rewarded but never thought about the dawn of our day. Now it is our turn. Our turn to take those powers to read and do all that appertains to the degree.

On behalf of my colleague graduands, I hereby extend our sincere gratitude and appreciation to all of you who gave us this opportunity. You have proved to us that indeed hard work pays.

To our parents, thank you for understanding that the only inheritance you could dedicate to us was this education. We promised never to let you down and today you can attest to this. We did that and we have successfully completed our task. To God be all the glory.

## **Valedictorian Speech Guidelines:**

**The Educator's Guide to Texas School Law** Jim Walsh, Frank Kemerer, Laurie Maniotis, 2014-09-15 Much has changed in the area of school law since the first edition of *The Educator's Guide* was published in 1986. Successive editions grew incrementally longer to keep abreast of legal developments. In this new eighth edition the authors have streamlined the discussion by pruning older material and weaving in new developments. The result is an authoritative source on all major dimensions of Texas school law that is both well integrated and easy to read. Intended for Texas school personnel, school board members, interested attorneys, and taxpayers, the eighth edition explains what the law is and what the implications are for effective school operations. It is designed to help professional educators avoid expensive and time-consuming lawsuits by taking effective preventive action. It is an especially valuable resource for school law courses and staff development sessions. The eighth edition begins with a review of the legal structure of the Texas school system. As Chapter 1 notes, education law is a complex interweaving of state and federal constitutional, statutory, administrative, and judicial law. It is important to understand the nature of the system before reading other sections. Successive chapters address attendance and the instructional program, the education of children with special needs, employment and personnel, expression and associational rights, the role of religion in public schools, student discipline, open meetings and records, privacy, search and seizure, and legal liability under both federal and Texas law. In addition to state law, the book addresses the role of the federal government in school operation through such major federal legislation as the Americans with Disabilities Act, the Individuals with Disabilities Education Act, and the Family Educational Rights and Privacy Act. Statute and case references are kept as simple as possible, and a complete index of case citations is included for those readers who wish to consult the cases themselves. The appendices describe how case law is reported and where to find it, along with a glossary of legal terms and a listing of other sources on Texas school law.

*The Young Adult's Guide to Public Speaking* Atlantic Publishing Group Inc, 2016-02-12 A perfectly delivered speech is something that takes time, practice, and knowledge. This guide is teeming with resources whether you are looking to get over your fear of speaking to a group of people or are running for student assembly and need an edge on your competition. You will discover how to overcome stage fright by being prepared, rehearsed, and ready for a number of unforeseen circumstances. You will learn how to write a memorable speech and how to impact and persuade your audience. You will learn how to gauge your audience's reaction and tailor the remainder of your presentation to have maximum appeal to the group you are speaking to.

*The Complete Idiot's Guide to Public Speaking: 2nd Edition* Laurie Rozakis, 1999-06-01 You're no idiot, of course. You can hold your own in water cooler conversations, are the life of the party at get-togethers, and have no problem firing a quick comeback at your smart-alecky friends. But when it comes to standing onstage in front of a group of people, you feel like you're the one in your underwear, not the audience. Don't hide behind the lectern just yet. *The Complete Idiot's Guide to Public Speaking*, Second Edition, helps you feel confident and build the skills

you need to deliver winning speeches and presentations In this completely revised and updated Complete Idiot's Guide you'll find Professional guidance on identifying your audience and adapting to the situation Expert advice on effective wardrobe and body language Useful pointers on how to tell jokes Valuable tips on handling hecklers and negative audiences Cutting edge information on using Powerpoint and other visual aids

**The Fountainhead Reference Guide: a to Z** Emre Gurgen, 2020-08-28 This Reference Guide takes the form of a Fountainhead Encyclopedia with several independent sections a complete character dictionary a dictionary of relationships between characters a lexicon of the book's buildings and media outlets a catalogue of the novel's various groups and associations a timeline of the book's events a classification of Ayn Rand's symbols and a directory of the Fountainhead's locations Besides organizing most of the Fountainhead's facts logically this Reference Guide also provides a table of Ayn Rand's fiction/nonfiction a spreadsheet of works by Objectivist Intellectuals and a glossary of architectural terms It also analyzes some of the book's themes with reference to plot specifics So that Fountainhead scholars can cite neutral book facts to support their intellectual hopefully objectivist positions [English the American Way: A Fun ESL Guide for College Students \(Book + Audio\)](#) Sheila MacKechnie Murtha, Jane Airey O'Connor, 2016-11-17 Includes audio to practice speaking and listening until you're perfect Cover

**Relativism: A Guide for the Perplexed** Timothy M. Mosteller, 2008-05-23 Relativism is a philosophical topic that has many dimensions and can mean many things It is the view that one thing owes existence truth goodness or beauty to something else and is central to an understanding of any of the four traditional divisions of philosophy ontology epistemology ethics and aesthetics Relativism A Guide for the Perplexed offers a concise introduction to relativism and how it applies to the different parts of the basic foundational areas of philosophy and indeed to every area of human enquiry Timothy Mosteller provides an overview of the topic across the discipline of philosophy examining it in detail in its primary forms ontological relativism epistemological relativism moral relativism and aesthetic relativism The book concludes with a summary of the role of relativism in three other key academic disciplines science politics and religion

**A Guide for 21st Century High School Students** Jason Robert, 2021-01-19 Student life can be exhilarating and challenging Society may not even realise what exactly high school students experience day in and day out There probably has not been a single book that serves to guide high school students on various aspects of their life both during school hours and beyond school hours Thus this book endeavours to be a guide for 21st century high school students by covering various aspects of school life including their inextricable attachment to social media It is hoped that it will be a gripping and enlightening read for 21st century students of all year levels
