Military forces worldwide soon realized the value in these vehicles and so they played a defining role in the wars of the 20th century. In the meantime they have also saved lives as ambulances and fire trucks and entertained the masses in the form of monster trucks. The Truck Book showcases the most important and iconic makes and models of every era from the Ford TT to the Bedford TM Turbo 92 Series to the Toyota Hilux. Along the way it evokes the freedom and nostalgia of the open road, explores trucking culture and shows how trucks and trucking companies such as Mack and UPS have won a place in fans' hearts. Weaving together stunning photographic catalogs with specially commissioned visual tours, feature spreads on truck models, designers and manufacturers as well as on milestone events or technological developments over the last 200 years, The Truck Book is the most comprehensive and best illustrated title available on the subject. *Fire Engines* Eddie Baker, 2018-08-23 More complex and imposing than any other vehicle in the British emergency services, the fire engine has a long and interesting history. The earliest water pumps had been developed by the eighteenth century, basic manual pumps that had to be hauled around by people or horses and were often only used on fire insured premises. In the nineteenth and twentieth centuries horse drawn steam powered fire engines and eventually motorised fire engines came to revolutionise firefighting, offering far greater versatility and the brigades came to be run by the municipalities. In this beautifully illustrated introduction Eddie Baker charts the history of fire engines and their variants and the increasingly complex equipment they have carried such as high rise ladders and high pressure hoses. He also explains the wider history of the fire service and how the engines have been shaped by its needs and most importantly those of the firefighters themselves. **Kenya Gazette**, 2000-04-07 The Kenya Gazette is an official publication of the government of the Republic of Kenya.
