McCurry's War Chuck Thompson, 2012-10 Coming of age during the Vietnam War Mike McCurry decides to join the U S Army rather than be drafted or take a flight to Canada He is assigned to the Army Security Agency and begins a life of covert operation as a voice interceptor In the late 1960s McCurry arrives at Teufelsberg a super secret listening station in West Berlin McCurry and his fellow operatives have direct access to some of the most sensitive conversations of top officials of the East German government's Central Committee in East Berlin Unfortunately McCurry's group of interpreters and analysts are supervised by regular Army personnel who have no idea of the tasks being carried out by those under their command McCurry's supervisors are more interested in how their troops perform on the drill field than how they are fulfilling their assigned intelligence mission and that doesn't sit well with McCurry when national security is at stake It doesn't take him long to recognize that it will require a combination of guile and humor to overcome the obstacles put in his path by clueless supervisors But the incompetence of the leadership ultimately becomes deadly forcing McCurry to make a choice between following orders or facing a court martial

innovation in China and how domestic Chinese firms strengthen their innovation capability The volume thus makes an important attempt to extend existing knowledge on this subject and provides new insights to scholars and practitioners The chapters in this book were originally published as a special issue of International Studies of Management Organization
