Where There's Smoke English Edition:

Where There's Smoke... William B. Davis, 2011 One of the most iconic villains in the history of television the enigmatic Cigarette Smoking Man fascinated legions of fans of the 1990s hit TV series The X Files Best known as Canserman he was voted Television's Favourite Villain by the readers of TV Guide The man behind the villain William B Davis is a Canadian actor and director whose revelations in this memoir will entertain and intrigue the millions of X Files aficionados worldwide But there is more to Davis's story than just The X Files Davis's extensive acting experience began when he was a child in Ontario in the 1950s and grew to encompass radio theatre film and television At the University of Toronto where he graduated with a degree in philosophy he turned his hand to directing a move that took him to theatre school in Britain and a directing career There he reconnected with his undergraduate colleague Donald Sutherland and worked at the National Theatre with such notables as Sir Laurence Olivier Dame Maggie Smith and Albert Finney Those who love the theatre will delight in his recollections of the Straw Hat Players in Ontario or the trials and tribulations of an artistic director of repertory theatre in Dundee Scotland or his valiant attempt to create a theatre in Quebec devoted to the Canadian repertoire Those who love history will relive with Davis those golden years of Canadian radio drama and theatre not to mention enjoying an inside look at the National Theatre School of Canada where he directed the English Acting Program in the 60s Those who love a bit of scandalous gossip will not be disappointed Written in an easy conversational style this memoir truly is The Musings of the Cigarette Smoking Man as William B Davis reflects on his loves his losses his hopes his fears and his accomplishments in this unique and engaging autobiography Where There's Smoke, There's Dinner Regi Carpenter, 2016-09-06 A candid story of desperate measures explosive humor and ultimately the sanity behind seeming madness It teaches a new understanding of family love Jo Radner reviewer for the National Storytelling Network's magazine Family comfort food or a recipe for disaster Award winning storyteller and performer Regi Carpenter brings her humor and honesty to print in Where There's Smoke There's Dinner Regi is the youngest daughter in a family that pulsates with contradictions religious and raucous tender but terrible unfortunate yet irrepressible These honest tales some hilarious some heartbreaking celebrate the glorious and gut wrenching lives of four generations of Carpenters raised on the Saint Lawrence River in Clayton New York From teenagers struggling to find their identity to disabled veterans grappling with the aftermath of war and change to the complications and sweetness of love between family members this collection of linked short stories holds the universal message that life's difficulties are softened by love and fortitude and family Inventive insightful emotionally nuanced in the midst of deadpan humor but more than that here is a great big hearted embrace of the world Loren Niemi producer Two Chairs Telling This book brings us to a place where we discover the eventual and abiding power of love over death It is so very loving and affirming of total recovery from childhood and of the power of forgiveness that heals in two directions Donald Davis author of Tales from a Free Range Childhood Globalizing Tobacco Control Roddey

Reid,2005-12-20 Reid develops an approach to globalization and health that goes beyond simplistic dichotomies such as the puritanism of the United States in contrast with the more libertine cultures of other countries and he also eschews the equally simplistic view that the world is becoming homogenized David J Hess Rensselaer Polytechnic Institute A tangible aspect of living working and traveling in the 21st century is the experience of moving between smoke filled and smoke free environments In Globalizing Tobacco Control Roddey Reid examines what lies behind this experience the revolution in public attitudes and health codes that regulate daily routines and the life of the body While the gradual replacement of smoking with non smoking as the social norm is a global phenomenon it has not followed the same trajectory everywhere Reid compares anti smoking campaigns in the United States France and Japan for what they reveal about the nature of globalization and liberal arts of government He explores distinctive national histories of tobacco evolving global marketing strategies of transnational tobacco corporations social marketing techniques used to tailor public health messages to particular ethnic communities and the programs of international public health organizations
