Kahn is the daughter of a model and a famous film producer born to host formal dinners and adorn the arm of a powerful man but she's determined to thwart her fate by graduating from her psychiatry residency and practicing emergency medicine as an anonymous citizen if only her mother will stop sending her on blind dates with billionaires who would like to make Larisa their trophy wife. The separation between Larisa's celebrity and professional lives is threatened when a producer friend of her father sends one of his directors to Larisa for counseling. Quinn VanderVeer might be the greatest filmmaker of his generation but he's so insecure he's turned everyone against him. He comes to Larisa in the middle of a nasty breakup, questions about his sexuality, and mounting pressure on the set of his first big budget production. She could help him if only he would see her as an ally instead of the woman who could reveal him as the imposter he feels he is. As Larisa works to tear down Quinn's walls, she also must work against walls of her own, holding them up against her belief that her education has made her unlovable and her psychiatry skills make her intimidating to men who want to be in control. Together they might become an industry power couple but first they'll have to trust each other with their deepest fears and secret desires.

Book One in the Elaborate Lives Series **Into being** Lily Dunn, 2025-10-07

The acclaimed author of *Sins of My Father* shares the secrets of writing a new transformative kind of memoir. *Into being* is an essential guide to writing radical and empowering memoir. Drawing on her experience as a memoirist and a teacher of creative writing, Lily Dunn presents the ground-breaking idea that the craft of memoir itself can offer a form of transformation. Dunn demystifies the memoirist's art, helping readers to find meaning in raw experience and elevate the personal to the universal. She considers compelling questions from why our memories give greater significance to certain events to how we can write honestly without intruding too far into the lives of our loved ones. She also explores how writers are extending the memoir form to create something hybrid, playful, and subversive. In an age of social media filled with confessions, reinventions, and distortions of the self, the question of what it means to be an individual is more urgent than ever. *Into being* shows readers how to turn writing memoir into a journey of discovery, one that can be shared with the whole world.
