Eating Out Alan Warde, Lydia Martens, 2000-03-30 *Eating Out* first published in 2000 is a fascinating study of the consumption of food outside the home based on extensive original research carried out in England in the 1990s Reflecting the explosion of interest in food ranging from food scares to the national obsession with celebrity chefs the practice of eating out has increased dramatically over recent years Through surveys and intensive interviews the authors have collected a wealth of information into people s attitudes towards and expectations of eating out as a form of entertainment and an expression of taste and status Amongst other topics they examine social inequalities in access to eating out social distinction interactions between customers and staff and the economic and social implications of the practice *Eating Out* will be a valuable resource to academics advanced students and practitioners in the sociology of consumption cultural studies social anthropology tourism and hospitality home economics marketing and the general reader

Partisans and Partners Josh Pacewicz, 2016-11-18 There s no question that Americans are bitterly divided by politics But in *Partisans and Partners* Josh Pacewicz finds that our traditional understanding of red blue right left urban rural division is too simplistic Wheels down in Iowa that most important of primary states Pacewicz looks to two cities one traditionally Democratic the other traditionally Republican and finds that younger voters are rejecting older timers strict political affiliations A paradox is emerging as the dividing lines between America s political parties have sharpened Americans are at the same time growing distrustful of traditional party politics in favor of becoming apolitical or embracing outside the beltway candidates Pacewicz sees this change coming not from politicians and voters but from the fundamental reorganization of the community institutions in which political parties have traditionally been rooted Weaving together major themes in American political history including globalization the decline of organized labor loss of locally owned industries uneven economic development and the emergence of grassroots populist movements *Partisans and Partners* is a timely and comprehensive analysis of American politics as it happens on the ground

Handbook of Test Development Thomas M. Haladyna, Steven M.

Downing, 2011-04-26 Despite the fact that test development is a growth industry that cuts across all levels of education and all the professions there has never been a comprehensive research oriented Handbook to which everyone developers and consumers can turn for guidance That is the mission of this book The Handbook of Test Development brings together well known scholars and test development practitioners to present chapters on all aspects of test development Each chapter contributor is not only a recognized expert with an academic and research background in their designated topic each one has also had hands on experience in various aspects of test development This thirty two chapter volume is organized into six sections foundations content item development test design test production and administration and post test activities The Handbook provides extensive treatment of such important but unrecognized topics as contracting for testing services item banking designing tests for small testing program and writing technical reports The Handbook is based on the Standards for

Educational and Psychological Testing which serve as the foundation for sound test development practice These chapters also suggest best test development practices and highlight methods to improve test validity evidence This book is appropriate for graduate courses and seminars that deal with test development and usage professional testing services and credentialing agencies state and local boards of education and academic libraries serving these groups *Robin and Lucienne Day* Lesley Jackson,2001-03 Hailed as the British counterparts to Charles and Ray Eames Robin and Lucienne Day electrified the British design scene in the 1950s with their startling furniture and textile designs Indeed their influence over the next five decades has been so profound that their early products were recently reintroduced by Conran s Habitat Lucienne Day pioneered the introduction of modern abstract pattern design in the textile industry Her fabrics which oscillate between bold geometric figures and more subtle abstract patterns were produced by companies as diverse as Heal s and Liberty of London Robin Day s influential furniture designs pioneered the use of materials such as plywood steel and plastic His stacking polypropylene chair right is one of the best selling chairs in the world Robin and Lucienne Day the first ever full length monograph on their designs features never before seen archival material along with over 250 color images of the full range of their work including furniture ceramics textiles wallpaper interiors appliances exhibit designs and graphics Spanning a half century s creative output no designer will fail to be awed by the genius seen in this book **Monthly Catalog of United States**

Advances in Accounting Philip M J Reckers, 2005-06-02 Now in its twenty first edition *Advances in Accounting* continues to provide an important forum for discourse among and between academic and practicing accountants on issues of significance to the future of the discipline Emphasis continues to be placed on original commentary critical analysis and creative research research that promises to substantively advance our understanding of financial markets behavioral phenomenon and regulatory policy Technology and aggressive global competition have propelled tremendous changes over the two decades since AIA was founded A wide array of unsolved questions continues to plague a profession under fire in the aftermath of one financial debacle after another and grabbling with the advent of international accounting standards This volume of *Advances in Accounting* not surprisingly includes articles reflective of recent focus on corporate governance earnings management and

the influence of the CEO the accuracy of earnings forecasts and the value relevance or voluntary and mandated disclosures This volume also looks at challenges facing the academic community with respect to technology and addresses pedagogical advances holding promise AIA continues its commitment to the global arena by publishing research with an international perspective in the International Section inaugurated in Volume 20 As never before the accounting profession is seeking ways to reinvent itself and recapture relevance and credibility AIA likewise continues to champion forward thinking research

Confidential Bulletin National Retail Merchants Association (U.S.),1925 *EBOOK: Experiencing Intercultural Communication: An Introduction* Judith Martin,Thomas Nakayama,G.P. van Rhee de van Oudtshoorn,Paul Schutte,2013-07-16 The new Southern African edition of this popular introductory textbook offers students a practical and accessible framework for developing their intercultural communication skills It provides a global perspective on intercultural communication while allowing students to contextualise their knowledge with relevant examples applications and perspectives Recognising that students in Southern African come from diverse cultural ethnic and linguistic backgrounds it provides discussion of issues and perspectives they can apply to everyday life and to broader contexts The Booklist ,1927 Emotional Practices and Listening in Peacebuilding Partnerships Pernilla Johansson,2021-11-28 This book analyzes the everyday emotions of international peacebuilding practitioners as practices that hinder and potentially help them to listen more receptively to their local partners It develops emotional practices as an analytical concept by integrating critical feminist perspectives insights into practice approaches Effective peacebuilding requires international actors to listen to local partners This sounds simple enough but often fails in practice Examining how everyday emotions help or hinder internationals receptivity to local perspectives the book challenges the conventional wisdom that emotions do not matter at least not those of internationals who are the privileged party in peacebuilding partnerships The book is based on interviews with peacebuilding practitioners donors and researchers working in the Balkans and East Africa as well as in the UK the US and Sweden and gives a detailed and no nonsense description of daily dilemmas regarding listening and partnerships Johansson provides concrete recommendations of how internationals can practice personally organizationally and geopolitically to build emotional capacity that will help them listen better to local actors Drawing on the author s expertise in political science and peace and conflict research this volume speaks to scholars in international relations political theory sociology cultural studies development studies critical theory and anthropology **The Accountant** ,1922 *Adapting Gender and Development to Local Religious Contexts* Romina Istratii,2020-10-01 This book provides a critical and decolonial analysis of gender and development theory and practice in religious societies through the presentation of a detailed ethnographic study of conjugal violence in Ethiopia Responding to recent consensus that gender mainstreaming approaches have failed to produce their intended structural changes Romina Istratii explains that gender and development analytical and theoretical frameworks are often constructed through western Euro centric lenses ill equipped to understand gender related realities and human

behaviour in non western religious contexts and knowledge systems Instead Istratii argues for an approach to gender sensitive research and practice which is embedded in insiders conceptual understandings as a basis to theorise about gender assess the possible gendered underpinnings of local issues and design appropriate alleviation strategies Drawing on a detailed study of conjugal abuse realities and attitudes in two villages and the city of Aksum in Northern Ethiopia she demonstrates how religious knowledge can be engaged in the design and implementation of remedial interventions This book carefully evidences the importance of integrating religious traditions and spirituality in current discussions of sustainable development in Africa and speaks to researchers and practitioners of gender religion and development in Africa scholars of non western Christianities and Ethiopian studies and domestic violence researchers and practitioners **Monthly Catalogue, United States Public Documents** ,1993-02
