

HOW TO PLAY

WHITE ELEPHANT GIFT EXCHANGE

It's a popular gift exchange that requires you to only bring one gift. The goal is to walk away with the best gift in the group by gift swapping — although the purpose is typically to entertain not gain.

RULES:

1.

Find a silly or pointless gift, wrap it up, and place it in a pile with all the rest.

We recommend something that'll have the recipient saying, "🤔".

Number pieces of paper for each guest and draw names to see who goes first.

2.

The first player then selects a gift from the pile and opens it for everyone to see. Let the jealousy ensue.

3.

The following players can choose to select a remaining gift, or steal the previous player's gift.

If you get your gift stolen, choose a new gift or steal from someone else. Stir drama to your advantage.

4.

Turns come to an end after three steals — each gift can only be stolen once per turn.

Yes, even thieves have rules.

5.

Continue stealing each other's gifts until a player decides to waive their turn.

This ends the game. Hopefully you ended up with the gift you wanted!
