Congress. House. Committee on Appropriations. Subcommittee on Department of Defense,United States. Congress. House. Committee on Appropriations,1967 Purchasing Agent ,1922 *The Great American Education-Industrial Complex* Anthony G. Picciano,Joel Spring,2013-05-07 The Great American Education Industrial Complex examines the structure and nature of

national networks and enterprises that seek to influence public education policy in accord with their own goals and objectives In the past twenty years significant changes have taken place in the way various interest groups seek to influence policies and practices in public education in the United States No longer left to the experience and knowledge of educators American education has become as much the domain of private organizations corporate entities and political agents who see it as a market for their ideas technologies and ultimately profits Picciano and Spring posit that educational technology is the vehicle whereby these separate movements organizations and individuals have become integrated in a powerful common entity and detail how the educational industrial complex has grown and strengthened its position of influence This timely carefully documented well argued book brings together Picciano s perspective and expertise in the field of technology and policy issues and Spring s in the history and politics of education in a unique critical analysis of the education industrial complex and its implications for the future
