The Mother & Other Unsavory Plays Stanisław Ignacy Witkiewicz, 1993. Edited and translated by Daniel Gerould and C. S. Durer. Foreword by Jan Kott. Painter, playwright, novelist, aesthetician, philosopher, and expert on drugs. Stanisław Ignacy Witkiewicz, or Witkacy as he called himself, remains Poland's outstanding figure in the arts between the two world wars. This volume brings together three of Witkiewicz's best works for the stage, as well as a selection from his critical writing. The plays deal with the author's principal themes and obsessions: the dilemma of the artist in the twentieth century, the revolutions in science and politics, and the bankruptcy of all ideology, the decline of western civilization, and the coming of totalitarianism. Yet far from being solemn or even serious in tone, these apocalyptic dramas are permeated with grotesque humor and characterized by a wild theatricality that particularly appeals to contemporary sensibility.

Ravenhill Plays: 3 Mark Ravenhill, 2013-12-04. Ravenhill has more to say and says it more refreshingly and wittily than any other playwright of his generation. Time Out Shoot Get Treasure Repeat. A dramatic cycle that is in its way epic but is splintered into many small

shards touches deftly on the impact of war on everyone involved Financial Times Over There Ravenhill explores postwar Germany's division and unification through the power battles between twin brothers The result is fantastically clever and ingenious Guardian A Life in Three Acts By turns charming funny informative and in its final segment lump in the throat moving as Bourne charts the loss of friends and lovers to Aids and contemplates old age Guardian Ten Plagues A remarkable song cycle it's the portrait of grief beyond measure that's so affecting and which this moving hour of solitudinous lamentation confusion and defiance brings beautifully to the fore Telegraph Ghost Story both a satire and a moving story about illness Guardian The Experiment Mark Ravenhill keeps things creepy in his monologue The Experiment in which he plays the satiny voiced slippery narrator The story and the narrator's level of complicity keeps shifting Ravenhill asks us to consider which version if any might be acceptable and how much we might be willing to avert our eyes from for the greater good
