Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively

scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English; slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post-World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge's commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.

Marketing Communications John Egan, 2022-11-23 Marketing Communications is a highly popular textbook which introduces students to the different marketing communications tools, theories and strategies in an easy-to-read way. This fourth edition includes updates on how the Covid-19 pandemic has affected the marketing advertising industries. Features new case studies from companies and brands such as Amazon, Burger King, Facebook and John Lewis. Covers timely topics such as online retailers, social media networks e.g. TikTok, social media influencers and marketing ethics. This textbook is essential reading for students studying marketing communications or a related topic. John Egan is Professor of Marketing at Regent's University London.

Broadcast Journalism Ray Alexander, Peter Stewart, 2016-01-29 This seventh edition of Broadcast Journalism continues its long tradition of covering the basics of broadcasting from gathering news sources, interviewing, putting together a programme, news writing, reporting, editing, working in the studio, conducting live reports and more. The authors have brought the material further up to date with the integration of social media, uses of mobile technology, the emergence of user-generated content and updated examples, illustrations and case studies throughout. End of chapter exercises are also included. New for this edition: Updated with new examples, quotes and pictures; Restructured with end of chapter summaries, exercises for students, notes for tutors, links for further reading and references to invaluable websites and smartphone apps; Extended chapters on ethics, responsibilities, interviewing, mobile newsgathering and filming; New additional information on coping with reporting traumatic stories and how news organisations use Twitter and Periscope.
