Sleeping On Jupiter English Edition:

Sleeping on Jupiter Anuradha Roy, 2016-09-06 Long listed for the Man Booker Prize a novel about violence love and religion in modern India On a train bound for the seaside town of Jarmuli known for its temples three elderly women meet a young documentary filmmaker named Nomi whose braided hair tattoos and foreign air set her apart At a brief stop en route the women witness a sudden assault on Nomi that leaves her stranded as the train pulls away Later in Jarmuli among pilgrims priests and ashrams the women disembark only to find that Nomi has managed to arrive on her own What is someone like her clearly not a worshipper doing in this remote place Over the next five days the women live out their long planned dream of a holiday together their temple guide pursues a forbidden love and Nomi is joined by a photographer to scout locations for a documentary As their lives overlap and collide Nomi's past comes into focus and the serene surface of the town is punctured by violence and abuse as Jarmuli is revealed as a place with a long dark history that transforms all who encounter it A haunting vibrant novel that was long listed for the Man Booker Prize and the DSC Prize for South Asian Literature and short listed for the Hindu Literary Prize Anuradha Roy's *Sleeping on Jupiter* is a brilliantly told story of contemporary India from an internationally acclaimed writer Quintus Claudius, Volume 2 (of 2) (English Edition) Ernst Eckstein, Clara Bell, 2014-11-08 Example in this ebook CHAPTER I The same day which saw our friends in the country house at Ostia and the bond of love sealed between Aurelius and Claudia had been one of infinite agitation and annoyance to the Emperor Domitian The very first thing in the morning came vexatious tidings from the town and provinces At the earliest dawn inscriptions had been discovered on several of the fountains columns and triumphal arches of which the sting was more or less covertly directed against the Palatium and the person of Caesar Enough was attached to the base of a portrait bust The fruit is ripe was legible on the arch of Drusus In the fourth eighth and ninth regions the revolutionary question was to be seen in many places Where is Brutus and at the entrance of the baths of Titus in blood red letters stared the appeal Nero is raging Galba why dost thou tarry Domitian who had heard all this from his spies long before the court officials even suspected what had happened received these courtiers in the very worst of tempers His lev e was not yet ended when a mounted messenger brought the news that a centurion had raised the standard of revolt on the Germanic frontier but that he had been defeated and slain after a short struggle At noonday the soldiers of the town guard seized an astrologer Ascleterio by name who had publicly announced that ruin threatened Caesar Before the moon should have twelve times rounded so ran his prophecy Caesar's blood would be shed by violence The immortals were wroth at his reprobate passion for a woman who by all the laws of gods and men he had no right to love At first Domitian laughed His connection with Julia seemed to him so dull and pointless a weapon for his foe to turn against him that the stupidity of it astonished him However he commanded that the astrologer should be brought before him Who paid you he enquired with a scowl when the prisoner was dragged into the room No one my lord You lie My lord as I hope for the mercy of the gods I do not lie Then you really assert that you

actually read in the stars the forecast you have uttered Yes my lord I have only declared what my skill has revealed to me The superstitious sovereign turned pale Well then wise prophet you can of course foretell your own end Yes my lord Before this day is ended I shall be torn to pieces by dogs Domitian looked scornfully round on the circle of men I fancy he said that I can upset the prophetic science of this worthy man Carry him off at once to execution and take care that his body is burnt before sundown The astrologer bowed his head in sullen resignation He was led away to the field on the Esquiline and immediately beheaded before an immense concourse within an hour Domitian was informed that all was over At this news his temper and spirit improved a little He congratulated himself on the prompt decision which had so signally proved the falsehood of the prophecy At dinner he carried on an eager conversation with Latinus the actor who among other farcical parts filled the role of news monger You are later than usual to day said Caesar graciously What detained you To be continue in this ebook
