Bernard,2012-03-06 A genetic apocalypse is ravaging the earth women are disappearing from the planet and the only hope to keep civilization from crumbling is a ten year old girl In the future people lose the ability to have daughters and as women begin to disappear from a world already gripped by chaos some people begin to think that a 10 year old black girl will

be the next Messiah Seven years after the onset of this genetic apocalypse all women have disappeared from cities like New York Civilization itself seems to have ground to a halt as men numbed by the holographic pleasures of their technological age wait for the inevitable death of their species It is then that a powerful military force known simply as The Horde begins a systematic offensive against the world's great cities As this final battle unfolds the girl presumed to be God escapes from the fortress where The Horde had been keeping her and thousands of other women Once free she forms a series of alliances first with a cult convinced of her divinity then with the scientist originally responsible for the genetic apocalypse and finally with a man without a past whose evolving conceptualization of reality seems to be the key to saving the human race Interwoven with a rich mosaic of characters like the seemingly supernatural Quibb the industrial magnate Shaka the gender defying cyber witch Circe and the revolutionary firebrand Tio Mendez God in the Image of Woman tells the epic story of people searching for their humanity in an age where the end of the human race seems terrifyingly close Turn Left at the Sleeping Dog John Pen La Farge,2006-11 The interviews collected in this book preserve the old Santa Fe the one people are still looking for The interviewees represent a cross section of Santa Fe during the best of times native Santa Feans both Spanish American and Anglo artists immigrants those who came by accident those who came intending to stay those who fought to preserve the older cultures traditions and values *Still More Hot Illustrations for Youth Talks* Wayne Rice,1999 Volume three of the best selling Hot Illustrations for Youth Talks series delivers all new lively effective illustrations stories parables and anecdotes from the personal files of many of youth ministry's best speakers **Has God Forgotten Me?** Jane Alison Kaberuka,2002 **Sleeping Beauty Awakened** Zandia Bronkhorst,2012-03 Once upon a time you were the princess of your own fairy tale you lived in your own imaginary world But then as you grew older you became more aware of the reality around you the fact that the world continuously states that there are no such things as happily ever afters and that no man is a prince The little princess dies inside of you Throughout this book you will rediscover that every desire you have as a woman fits into a fairy tale All you need is a prince to fight for you to awaken your princess heart again because being a princess is the preparation for becoming a queen his queen This book will touch various aspects of your feminine heart from how to unlock your husband's love to being a lady in waiting and rediscovering who God really is in your life The created will go to the Creator and only there she will find her true identity *When God Was a Bird* Mark I. Wallace,2018-11-20 2019 NAUTILUS GOLD WINNER In a time of rapid climate change and species extinction what role have the world's religions played in ameliorating or causing the crisis we now face Religion in general and Christianity in particular appears to bear a disproportionate burden for creating humankind's exploitative attitudes toward nature through unearthly theologies that divorce human beings and their spiritual yearnings from their natural origins In this regard Christianity has become an otherworldly religion that views the natural world as fallen as empty of signs of God's presence And yet buried deep within the Christian tradition are startling portrayals of God as the beaked and feathered Holy Spirit the animal God as it were of

historic Christian witness Through biblical readings historical theology continental philosophy and personal stories of sacred nature this book recovers the model of God in Christianity as a creaturely avian being who signals the presence of spirit in everything human and more than human alike Mark Wallace s recovery of the bird God of the Bible signals a deep grounding of faith in the natural world The moral implications of nature based Christianity are profound All life is deserving of humans care and protection insofar as the world is envisioned as alive with sacred animals plants and landscapes From the perspective of Christian animism the Earth is the holy place that God made and that humankind is enjoined to watch over and cherish in like manner Saving the environment then is not a political issue on the left or the right of the ideological spectrum but rather an innermost passion shared by all people of faith and good will in a world damaged by anthropogenic warming massive species extinction and the loss of arable land potable water and breathable air To Wallace this passion is inviolable and flows directly from the heart of Christian teaching that God is a carnal fleshy reality who is promiscuously incarnated within all things making the whole world a sacred embodiment of God s presence and worthy of our affectionate concern This beautifully and accessibly written book shows that Christian animism is not a strange oxymoron but Christianity s natural habitat Challenging traditional Christianity s self definition as an other worldly religion Wallace paves the way for a new Earth loving spirituality grounded in the ancient image of an animal God
