Sleeping With Lions A Spiritual Awakening:

Sleeping with Lions: A Spiritual Awakening Netta Pfeifer, 2014-10-22 In *Sleeping with Lions* the author takes you on a spiritual safari that started in her difficult childhood with a mentally ill mother. One of her earliest memories is of wanting to know what is love. When she was eight years old she had a vision of a beautiful man with what she thought was a towel on his head. He became her Guardian Angel, her inner voice. Little did she know that the answer to her question as told in *Sleeping with Lions* was right there in that vision. Twenty years later she saw the wildly popular film called *Born Free*. The story of how Joy and George Adamson rehabilitated their pet lioness Elsa and returned her to a wild life in Kenya spoke to the author of an unconditional letting go, kind of love, the kind of love for which she had been searching. She wrote a fan letter to the Adamsons and Joy replied, leaving her one of a kind job as Executive Secretary to a top Hollywood motion picture talent agent. After corresponding with Joy for two years she set out for Africa. Far from finding love at Joy's camp where she worked as her assistant for six months, the author encountered a woman whose mood swings and volatility were eerily reminiscent of her own mother's mental illness. In the end, Africa, Joy and George Adamson and their cheetahs and lions served as a bridge for what became the real purpose of the author's journey. After Joy it took her to Nairobi where she spent three months with the Veterinarians Drs Sue and Tony Harthorn. Through them she traveled to an ashram in India. In that rarified atmosphere in the foothills of the Himalayas her quest for unconditional love and what it means to be truly free ended when she came face to face with her Guardian Angel and he became her Guru. *Religious Behaviour and Spiritual Experience* Ashit

Chandra Chakraborty, Swami Priyavratana, 2015-12-23 Spiritual life and its experiences seem to elude ordinary understanding. Can spiritual truths be investigated by scientific techniques? Why do people take to spiritual life? Is there a scientific truth behind supra-normal experiences? This book, published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, India, deals with scientific exploration of spiritual experiences and answers these questions.

Spiritual Awakenings Tommie Zito, Tommy Zito, 2004 Releases you to do the will of God for your life. In *A Spiritual Awakening* revivalist pastor Tommie Zito releases Christians to do the will of God with fearless faith. With years of successful evangelism to his credit, the author boldly decries the state of the Sunday morning ritual. The voice of the Lord is relegated to pointless sermons and denominational drivel. Religion has paralyzed the passion and desire of the believer to do the will of God. The Church is suffocating under a spirit of slumber while believing all is well. But there is hope, you. **Scenes and**
