## **of Sleep Medicine Around The World: Challenges, Knowledge Gaps and Unique Needs** Hrayr P.

Attarian, Marie-Louise M. Coussa-Koniski, Alain Michel Sabri, 2023-03-03 This book explores the different ways sleep medicine is practiced in the world by presenting information from multiple countries from all continents The editors all sleep medicine experts dive into both clinical practice and research keeping an eye on healthcare needs and disparities before proposing solutions The contributions also take into account the social geographical and political situation of each country along with demographic considerations such as income levels adding a dimension of context to the contents The book is meant to be a reference for sleep medicine practitioners who encounter diverse patients in their daily practice It also serves as a good resource for anyone interested in the state of global health studies     The Grind Culture Detox Heather Archer, Heather Amunet, 2022 Grind culture is founded on the belief that in order to be considered valuable or worthy one must be productive This belief is often unconscious and grind culture itself lurks in the rarely discussed shadow side of capitalism where it fosters a society that equates success with production Those who are therefore unable or unwilling to be productive by society's measure are either overlooked or discarded While grind culture impacts almost everyone it's often most devastating to people of color women and other minority groups Because these groups are not politically dominant they already receive messages from the culture at large that they are less valuable in both overt and covert ways In response to the you are not enough message they often try to produce more just to be seen or accepted in grind culture society In The Grind Culture Detox author Heather Archer exposes grind culture's corruptive nature in all its complexity and simultaneously calls for an inner revolution one where all humans are recognized as sacred and where we acknowledge that we are not meant to grind like this Archer begins by exploring the history of grind culture detailing the extent of the problem and then moves us forward in offering a blueprint for radically reorienting our lives on an individual level towards authentic happiness and fulfillment fundamentally changing our relationship with work and production forever Grind Culture Symptoms include A fear of stillness Feeling guilty about resting Viewing exhaustion as productive Sacrificing the needs of your body to produce Rarely feeling satisfied with what you have Being in competition with others over who works the hardest     Annual Report on South-Indian Epigraphy , 1928     **Temple Bar** George Augustus Sala, Edmund Yates, 1870     **Japan Times.
