Be sure to have the tissue box handy. A man without a future, a woman determined to give him one. Jami Baylor has lost her job, her fiancé, her hopes, and her dreams all on the same day. But she believes in fate and destiny, and after finding Colton Amory's CD in a thrift store grab bag, Jami knows it's serendipity that she's heard his song now. *Baby I'll Find You* speaks to her heart right when she needs it most. So off she goes to the wilds of Yosemite to discover why Colton Amory hasn't written another song in seven years. The only problem: The man who wrote such beautiful music turns out to be a self-pitying jerk. Or so it seems until Jami digs deeper. Seven years ago, Cole Amory had a flourishing musical career and a little girl who was his pride and joy. In one split second, he lost it all. He hasn't written a lyric or played a note since. Buried in a small Yosemite town, he's now a fry cook at a fast food joint. And he doesn't need a woman with stars in her eyes opening all his old wounds and guilt. The book contains the following bonus material: Excerpts from *Twisted by Love*, *Reincarnation Tales Book 1: Revenge*, *Sex West Coast Book 1*, and *Take Your Pleasure*.

Trilogy of Terror

Alfonso Moret, 2013-02 Roman and Elsbone were veteran animal trappers and hunters. They were warned by the Chalukyas tribesmen that the Devil Dogs were ferocious and did not fear man or any other animal. The hunters were experienced predators and huntsmen and knew that the wild beast that the tribesmen were leery of were just Himalayan tempestuous wolves. The Chalukyas tribesmen disclosed to the hunters that they had seen two Devil Dogs bring down a huge wild boar and tear it apart one evening at the base of the Mahila Mountains. It is known amongst hunters and wildlife individuals that no wild animal, beast, or man wants any part of the violent, desolate, fierce boars. These Devil Dogs were fearsome and vicious. The major deciding factors that finally made the huntsmen want to seek and capture the wolves were these main issues. One: the Los Angeles zoo was offering a large amount of money for two legendary Devil Dogs from India. The second aspect was they heard that a single Devil Dog had fought and killed a Siberian Tiger. This factor increased their inquisitiveness and curiosity of this sensational beast and its folklore. Their egos also played a part in their judgment to capture the animals. An element they had to contemplate and had caused them concern was that they were told that the beast only comes out after the sun has set. Nightfall: this is an advantageous factor for the nighttime predator. So these beasts were nocturnal hunters. This was not an

odd characteristic for any wolf but still it was a concern for the hunters All these tidbits of information just enticed Roman and Elsbone even more and it heightened their hunting and ego desires The two English veteran hunters were now traveling toward their prey and compensations as they were now heading toward the foothills of the snowcapped Himalayas the hunting grounds of the Devil Dogs The huntsmen eventually had left their regular and familiar stomping grounds of South Africa years earlier because of the civil turmoil that continues to cause chaos and havoc with many of the unsettled tribes and conformed city dwellers The other object and issue was now there are all the new restrictions and hunting laws causing hardship on hunters and trappers also there were the conservation laws protecting the wild beast limiting them even more Elsbone and Roman left Africa and went and took their trade to South America But after some time they grew tired of the humid atmosphere the different language and customs along with the constant damp eerie rain forest So now they were here in India following the harsh rumors of the ferocious wild Devil Dogs that killed cattle pigs and villagers and now they also heard even killed mountain lions The hunters journey did have some hardships They needed to travel far through hot rough desolate deserts with very cold nights
