The SketchUp Workflow for Architecture Michael

Brightman, 2018-07-24 A guide for leveraging SketchUp for any project size type or style New construction or renovation The revised and updated second edition of The SketchUp Workflow for Architecture offers guidelines for taking SketchUp to the next level in order to incorporate it into every phase of the architectural design process The text walks through each step of the SketchUp process from the early stages of schematic design and model organization for both renovation and new

construction projects to final documentation and shows how to maximize the LayOut toolset for drafting and presentations. Written by a noted expert in the field, the text is filled with tips and techniques to access the power of SketchUp and its related suite of tools. The book presents a flexible workflow method that helps to make common design tasks easier and gives users the information needed to incorporate varying degrees of SketchUp into their design process. Filled with best practices for organizing projects and drafting schematics, this resource also includes suggestions for working with LayOut, an underused but valuable component of SketchUp Pro. In addition, tutorial videos complement the text and clearly demonstrate more advanced methods. This important text presents intermediate and advanced techniques for architects who want to use SketchUp in all stages of the design process. Includes in-depth explanations on using the LayOut tool set that contains example plans, details, sections, presentations, and other information. Updates the first edition to reflect the changes to SketchUp 2018 and the core functionalities: menus, tools, inferences, arc tools, reporting, and much more. Written by a SketchUp authorized trainer who has an active online platform and extensive connections within the SketchUp community. Contains accompanying tutorial videos that demonstrate some of the more advanced SketchUp tips and tricks. Written for professional architects as well as professionals in interior design and landscape architecture. The SketchUp Workflow for Architecture offers a revised and updated resource for using SketchUp in all aspects of the architectural design process. The SketchUp Handbook for Interior Design Rebecca Terpstra, Dana Hoffman, 2024-06-14. Take your SketchUp skills to the next level to build complex, captivating 3D designs and presentations for interior spaces that will leave a lasting impression on your clients. Key Features: Expand your SketchUp toolbox and create a seamless 3D modeling workflow specific to interior designers and architects. Learn how extensions can enhance the power of SketchUp and boost your productivity. Elevate your design presentations with SketchUp LayOut and create photorealistic renders. Purchase of the print or Kindle book includes a free PDF eBook. Book Description: Design professionals often find it hard to help their clients visualize their unique concepts and visions. Luckily, SketchUp bridges this communication gap with a powerful set of tools for visualizing and presenting your design ideas. This book teaches the approach perfected by two successful interior designers who have mastered SketchUp Pro Studio to generate a workflow that produces fascinating designs and enables you to communicate them through vivid illustrations. Starting with a review of the basics of creating 3D models, this book introduces Becca's Hierarchy of Modeling, a ten-step process that establishes a rhythmic pattern in your workflow. As you progress, you'll build on your SketchUp Pro knowledge by constructing architectural elements of a commercial building and furnishing a residential room with your own furniture, fixtures, and equipment (FFE) from scratch. From infusing photorealism into models to crafting appealing client presentations using SketchUp LayOut, this book has you covered. Each chapter provides step-by-step explanations of essential concepts and practical examples to reinforce learning. By the end of this book, you'll have an advanced understanding of SketchUp Pro's capabilities, ensuring you enjoy working on
