Backtropolis David L. Marsden,2022-01-26 Hello I would like to invite you to a place that exist only in the imagination of human beings It is a land of despair hope and redemption The beings of this land are like humans in some ways and different in other Have you ever heard a person tell you something can t be done because it s just too hard to change The beings in this land believe anything can be changed There are no bad things in this land only good In the end of everything we know they believe that light not darkness will prevail This story is about a human being living through very dark times and is noticed by infinite beings and given hope and help Einstein said that everything is relative Everything is relative About the time we find a solution to a problem we find other solutions for the same problem Nothing is impossible unless we make it so Join me on this journey to another land and always remember hope is never lost unless we tell ourselves it s lost
