Kelly,2017-10-09 This book examines how television has been transformed over the past twenty years by the introduction of new viewing technologies including DVDs DVRs and streaming services such as Netflix Hulu and Amazon Prime It shows that

these platforms have profoundly altered the ways we access and watch television enabling viewers to pause rewind record and archive the once irreversible flow of broadcast TV JP Kelly argues that changes in the technological landscape of television has encouraged the production of narrative forms that both explore and embody new industrial temporalities Focusing on US television but also considering the role of TV within a global marketplace the author identifies three distinct narrative temporalities acceleration 24 Prison Break complexity Lost FlashForward and retrospection Mad Men Through industrial textual analysis of television shows this cross disciplinary study locates these narrative temporalities in their socio cultural contexts and examines connections between production distribution and narrative form in the contemporary television industry

Building A Wireless Office Gilbert Held,2002-08-29 Sales of IEEE 802 11x compliant wireless LANs are exploding Unfortunately the manuals accompanying the equipment do not address topics such as site selection equipment interoperability with products from other vendors and how to acquire and configure the different firewall network address translation and router software necessary when connecting to the Internet Building a Wireless Office is a how to guide that explains technical issues in non technical terms Written for a wide audience it teaches how wireless LANs operate the difference between available and emerging products and why wireless LANs that operate at higher data rates may not be suitable or cost effective for all organizations
