Slain Phantoms Prose And Short Stories English Edition:

The Undergrounds of the Phantom of the Opera J. Hogle, 2016-04-30 This is the most comprehensive analytical study ever done of *The Phantom of the Opera* in its many different versions from the original Gaston Leroux novel to the present day It proposes answers to the question why do we keep needing this story told and retold in the Western world by revealing the history of deep cultural tensions that underlie the novel and each major adaptation Using extensive historical and textual evidence and drawing on perspectives from several theories of cultural study this book argues that we need this tale told and reconfigured because it provides us ways to both confront and disguise how we have fashioned our senses of identity in the Western middle class *The Phantom of the Opera* in varying ways over time turns out like the Gothic tradition it extends to be deeply connected to Western self fashioning in the face of conflicted attitudes about class gender race religious beliefs Freudian psychology economic and international tensions and especially the shifting and permeable boundaries between high and low culture This book should interest all students of the history of Western culture as well as those especially fascinated by Gothic fiction opera musical theatre and film

Tales of the Troubled Dead Catherine Belsey, 2019-09-01 Considers the ways ghost stories appeal to our uneasy relationship with conventional good sense What do they want the ghosts that even in the age of science still haunt our storytelling Catherine Belsey's answer to the question traces Gothic writing and tales of the uncanny from the ancient past to the present from Homer and the Icelandic sagas to Lincoln in the Bardo Taking Shakespeare's *Ghost in Hamlet* as a turning point in the history of the genre she uncovers the old stories the play relies on as well as its influence on later writing This ghostly trail is vividly charted through accredited records of apparitions and fiction by such writers as Ann Radcliffe Washington Irving Emily Bront Nathaniel Hawthorne Henry James M R James and Susan Hill In recent blockbusting movies too ghost stories bring us fragments of news from the unknown Traces examples of ghost stories from Homer to the present day Describes the aspects of storytelling designed to involve readers Includes stories of attested apparitions as well as fiction by a wide range of both canonical and popular authors

Popular Ghosts Esther Peeren, Maria del Pilar Blanco, 2010-04-01 Haunting has long been a compelling element in popular culture and has become an influential category in academic engagements with politics economics and aesthetics While recent scholarship has used psychoanalysis and the Gothic as frameworks with which to study haunting this volume seeks to situate ghosts in the cultural imagination The chapters in *Popular Ghosts* are united by the impulse to theorize the cultural work that ghosts do within the trans historical contexts that comprise our understanding of everyday life These authors study the theoretical and aesthetic genealogies of the spectral while also commenting on the multiple everyday spaces that this category occupies Rather than looking to a single tradition or medium the essays in *Popular Ghosts* explore film novels photography television music social practices and political structures from different cultures to reopen the questions that surround our haunted sense of the everyday

Theatre and Ghosts M. Luckhurst, E. Morin, 2014-07-15 *Theatre and Ghosts* brings theatre and performance

history into dialogue with the flourishing field of spectrality studies Essays examine the histories and economies of the material operations of theatre and the spectrality of performance and performer

Classic Horror Films and the Literature That Inspired Them Ron Backer, 2015-05-11 Classic horror films such as Dracula Frankenstein and The Picture of Dorian Gray are based on famous novels Less well known even to avid horror fans are the many other memorable films based on literary works Beginning in the silent era and continuing to the present numerous horror films found their inspiration in novels novellas short stories and poems though many of these written works are long forgotten This book examines 43 works of literature from the famous to the obscure that provided the basis for 62 horror films Both the written works and the films are analyzed critically with an emphasis on the symbiosis between the two Background on the authors and their writings is provided

Ghosts in Popular Culture and Legend June Michele Pulliam, Anthony J. Fonseca, 2016-09-26 With entries that range from specific works to authors folklore and popular culture including music film television urban legend and gaming this book provides a single volume resource on all things ghostly in the United States and in other countries The concept of ghosts has been an ongoing and universal element in human culture as far back as recorded history can document In more modern popular culture and entertainment ghosts are a popular mainstay from A Christmas Carol and Casper the Friendly Ghost to The Amityville Horror Ghostbusters Poltergeist The Sixth Sense and Ghost Whisperer This book comprehensively examines ghost and spirit phenomena in all its incarnations to provide readers with a holistic perspective on the subject It presents insightful information about the contribution of a specific work or author to establish or further the evolution of ghost lore rather than concentrating solely on the film literature music or folklore itself The book focuses on ghosts in western culture but also provides information about spirit phenomena and lore in international settings as many of the trends in popular culture dealing with ghosts and spirits are informed by authors and filmmakers from Germany Japan Korea and the United Kingdom The writers and editors are experts and scholars in the field and enthusiastic fans of ghost lore ghost films ghost hunting and urban legends resulting in entries that are informative and engaging and make this the most complete and current resource on ghost and spirit lore available

Death in Literature Outi Hakola, Sari Kivistö, 2014-05-02 Death is an inevitable yet mysterious event Fiction is one way to imagine and gain knowledge of death Death is very useful to literature as it creates plot twists suspense mysteries and emotional effects in narrations But more importantly stories about death seem to have an existential importance to our lives Stories provide fictional encounters with death and give meaning for both death and life Thus death is more than a physical or psychological experience in literature it also highlights existential questions concerning humanity and storytelling This volume entitled Death in Literature approaches death by examining the narratives and spectacles of death dying and mortality in different literary genres The articles consider literary representations of death from ancient Rome to the Netherlands today and explore ways of dealing with death and dying The discussions also transcend the boundaries of literature by studying literary representations of such

socially relevant and death related issues as euthanasia and suicide The articles offer a broad perspective on death's role in literature as well as literature's role in the social and cultural debates about death **The Dead Key by D.M. Pulley** SideKick Summaries, D M Pulley manages to pull off his first attempt at writing a suspenseful mystery novel with this new book Enjoy chapter by chapter dissection of the stories gripping plot as well as an in depth look at the stories major themes and motifs Learn new things about the story discovered by our professional analysts This summary includes First Impressions Book Review Story Setting Analysis Story elements you may have missed professionally deciphered by our writers Details of Characters Key Character Analysis Chapter by Chapter breakdown summarizing the text Discussion Analysis of Themes Symbols And Much More **Migration and Refuge** John Patrick Walsh,2019-03-27 This book argues that contemporary Haitian literature historicizes the political and environmental problems raised by the 2010 earthquake by building on texts of earlier generations It contends that this literary eco archive challenges universalizing narratives of the Anthropocene with depictions of migration and refuge within Haiti and around the Americas **Encyclopedia of Gothic Literature** Mary Ellen Snodgrass,2014-05-14 Presents an alphabetical reference guide detailing the lives and works of authors associated with Gothic literature **Edinburgh Companion to the Short Story in English** Paul Delaney,2018-02-01 Provides a clear introduction to the key terms and frameworks in cognitive poetics and stylistics **An Introduction to Literature, Criticism and Theory** Andrew Bennett,Nicholas Royle,2014-07-10 Fresh original and compelling An Introduction to Literature Criticism and Theory is the essential guide to literary studies Starting at the beginning and concluding with the end the book covers topics that range from the familiar character narrative the author to the more unusual secrets pleasure ghosts Eschewing abstract isms Bennett and Royle successfully illuminate complex ideas by engaging directly with literary works so that a reading of Jane Eyre opens up ways of thinking about racial difference whilst Chaucer Raymond Chandler and Monty Python are all invoked in a discussion of literary laughter Each chapter ends with a narrative guide to further reading and the book also includes a glossary and bibliography The fourth edition has been revised to incorporate two timely new chapters on animals and the environment A breath of fresh air in a field that can often seem dry and dauntingly theoretical this book will open the reader's eyes to the exhilarating possibilities of both reading and studying literature **A Study Guide for Edwidge Danticat's "Ghosts"** Gale, Cengage Learning, A Study Guide for Edwidge Danticat's Ghosts excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs **The Supernatural in the English Short Story** Pamela Search,1959 *Poetry and Writing of the First World War* Graham Cooke,2007-11-21 My grandfather fought in both the Boer and 1st World Wars he never spoke of his experiences When he died we discovered a box containing letters photographs press cuttings and his medals Since then I have tried to piece together his war time record When I tried to teach

secondary aged children about the poetry of the 1st World War many found it hard to grasp the enormity of it all until I bought in my grandfather s memorabilia suddenly it all clicked I tried to find a book that would combine the history of the Great War with the poetry and the poets but couldn t find one So I set about writing this book Including all of the Great War poems in their context the book also features a section on the materials my grandfather left and also some research that I have recently done into his family history

Ghosts , There s an eerie moan on the midnight wind from just beyond the cemetery gate A crypt door slowly creaks open and a strange shape emerges from the darkness within It flitters across the cold foggy night eyes ablaze with hate and now glaring in your direction You re too paralyzed to move It s coming towards you closer closer closer From the terror team that curdled your blood with Haunted Horror Zombies Return of the Zombies Haunted Love Swamp Monsters and Mummies Ghosts is the latest and ghastly greatest in the Classic Monsters of Pre Code Horror comics collections Over 128 pages of appalling apparitions formidable phantoms shuddery seances shivery spooks n specters and evil wraiths with much more than just revenge on their murdered minds *Sherlock Holmes: The Will of the Dead* George Mann,2013-11-05 A gripping addition to the tales of Sherlock Holmes from the acclaimed author of the Newbury Hobbes series A young man named Peter Maugram appears at the front door of Sherlock Holmes and Dr Watson s Baker Street lodgings Maugram s uncle is dead and his will has disappeared leaving the man afraid that he will be left penniless Holmes and Watson soon find themselves digging deep into the murky past of this complex family [More or Less Dead](#) Alice Driver,2015-03-26 In Ciudad Ju rez Mexico people disappear their bodies dumped in deserted city lots or jettisoned in the unforgiving desert All too many of them are women More or Less Dead analyzes how such violence against women has been represented in news media books films photography and art Alice Driver argues that the various cultural reports often express anxiety or criticism about how women traverse and inhabit the geography of Ciudad Ju rez and further the idea of the public female body as hypersexualized Rather than searching for justice the various media art photography and even graffiti often reuse victimized bodies in sensationalist attention grabbing ways In order to counteract such views local activists mark the city with graffiti and memorials that create a living memory of the violence and try to humanize the victims of these crimes The phrase more or less dead was coined by Chilean author Roberto Bola o in his novel 2666 a penetrating fictional study of Ju rez Driver explains that victims are more or less dead because their bodies are never found or aren t properly identified leaving families with an uncertainty lasting for decades or forever The author s clear precise journalistic style tackles the ethics of representing femicide victims in Ciudad Ju rez Making a distinction between the words femicide the murder of girls or women and feminicide murder as a gender driven event one of her interviewees says Women are killed for being women and they are victims of masculine violence because they are women It is a crime of hate against the female gender These are crimes of power *Encyclopedia of Fantasy and Horror Fiction* Don D'Amassa,2014-05-14 Encyclopedia of Fantasy and Horror Fiction provides comprehensive coverage of the major authors

and works in these popular genres Each entry includes a brief discussion of the author s life and work and includes a full bibliography Each entry on **The Ashgate Encyclopedia of Literary and Cinematic Monsters** Jeffrey Andrew Weinstock,2016-04-01 From vampires and demons to ghosts and zombies interest in monsters in literature film and popular culture has never been stronger This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A Z of monsters throughout the ages It is the first major reference book on monsters for the scholarly market Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor Generic entries such as ghost and vampire are cross listed with important specific manifestations of that monster In addition to monsters appearing in English language literature and film the Encyclopedia also includes significant monsters in Spanish French Italian German Russian Indian Chinese Japanese African and Middle Eastern traditions Alphabetically organized the entries each feature suggestions for further reading The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves
