The Right to Oblivion Lowry Pressly, 2024-10-08 Constant digital surveillance has inspired a heated but also limited privacy debate Lowry Pressly looks beyond the narrow discourse of rights and information to extol

privacy as a tool for living Privacy he argues not only reinforces our capacities for play self discovery connection and trust but also is vital to the search for meaning The Other Sex Ingo von Sundahl,2016-06-12 We had managed to finish and print my daughter s thesis a week before she had to hand it in The final title was The Other Sex Simone de Beauvoir in the Twenty First Century We were all terribly excited All for different reasons My daughter since she would become an official intellectual My wife because she wanted to prove to everybody but mostly herself that she could still throw a wonderful party Me because I was about to give the order to execute someone and save my family *Love Inspired Suspense March 2025 - Box Set 1 of 2* Connie Queen,Deena Alexander,Lacey Baker,2025-02-25 Love Inspired Suspense brings you three new titles Enjoy these suspenseful romances of danger and faith This box set includes SEARCHING FOR JUSTICE A K 9 Search and Rescue novel by Connie Queen When a teen goes missing from the same place where her own foster sister disappeared K 9 handler Brynne Taylor is on the case until she s caught in a lethal trap Someone doesn t want her or her Saint Bernard Fergie snooping around and they re willing to kill to keep their secrets Saved by rancher Jace Jackson Brynne reluctantly accepts the single father s help solving both cases But they re under fire every dangerous step of the way and eluding this killer may be as impossible as outrunning Brynne s past HIDING THE WITNESS by Deena Alexander Racing into a burning cabin to search for survivors firefighter Diana Cameron stumbles upon an unconscious child and two bodies with bullet wounds When a sniper targets their narrow escape Diana has no choice but to team up with bodyguard Chase Mitchell to keep the little girl safe Uncovering the identity of the murder victims is the only way to find the killer But as they re chased by gunmen into the mountain wilderness can they protect a tiny witness from the unknown when the truth is more sinister than they imagined LETHAL REUNION by USA Today bestselling author Lacey Baker The last thing Halle Jefferson expects is to receive a chilling threat at her high school reunion or the gunshot that follows It s been fifteen years since her sister s unsolved homicide and now her twin s killer is back They want something from Halle and they ll stop at nothing to get it And the only thing standing between her and certain death is her ex high school sweetheart Sheriff Kyle Briscoe Can Halle and Kyle outwit a ruthless murderer and uncover the truth before they re silenced for good For more stories filled with danger and romance look for Love Inspired Suspense March 2025 Box Set 2 of 2 **Seduction** Catherine Gildiner,2010-05-21 During her decade in prison Kate Fitzgerald has learned a few things The best way to survive is to absorb yourself in your own world Never make eye contact with your fellow inmates And the last person you can trust is your prison psychiatrist not only is he likely to be lazy and incompetent really why else wouldn t he be getting rich off of well heeled clients instead but if you complain about him you re going to be labelled as a permanent malcontent and denied parole So when Dr Gardonne offers Kate a temporary absence and a job working for him she only takes it because she knows that turning him down could be worse for her in the long run counted in prison years of course But the real challenge is figuring out why he would choose her On the surface it s pretty clear Kate has spent her incarceration immersing herself in the writings of Sigmund Freud and

has become a recognized expert on his work Dr Gardonne represents the members of a psychoanalytic organization that is being attacked at its core Anders Konzak the hand picked director of the Freud academy has been boasting to the media that his new research on Freud will bring the entire profession of psychoanalysis to its knees He s also been receiving death threats And Kate as an outsider is the only one Konzak will talk to Though she doesn t trust Gardonne Kate accepts his offer and she races to uncover Konzak s secrets before he publishes his work Never one to work well with others Kate is less than thrilled to find out Gardonne has hired a private detective to be her partner Jackie Lawton is a hardened ex con who has spent most of his life in prison and only recently turned things around by starting his own business From the moment the two meet Kate sees that it won t be easy working with a man who isn t really interested in the intellectual battle at hand and who keeps her prison time at the forefront of every conversation And can he really be trusted When key players who were all last seen with Kate begin to turn up dead there s the very real possibility she s being set up by Gardonne After all who would believe the word of a convict serving time for murdering her husband All she can hope is that following the threads of Konzak s research to his sources will keep her one step ahead of Gardonne and lead her to the real killer With Seduction Catherine Gildiner gives us not only a gripping detective story full of shifting characters and fast paced twists but a remarkable intellectual thriller Through the letters and papers of Sigmund Freud Charles Darwin and the venerable Wedgwood family Gildiner brings the personalities and ideological conflicts of the past to life in the present Along the way we meet an assortment of characters from social misfits to the demure but resolute Anna Freud who is still living in the London house where she brought her ailing father for the last year of his life and where she actively guards his legacy The story takes us from Toronto to Vienna London the Isle of Wight New York and back again to Toronto each locale seen through the eyes of Kate who relishes in the beauty of a world that has been denied to her for a decade
