Hudson,Mark DeRuiter,2023-10-06 This sixth edition of Professional Issues in Speech Language Pathology and Audiology is intended to be a primary text for students in speech

language pathology and audiology as well as a resource for practitioners providing a comprehensive introduction to contemporary issues that affect these professions and service delivery across settings. It aims to provide a better understanding that day to day clinical work as well as personal professional growth and development are influenced by political, social, educational, health care, and economic concerns. By instilling a big picture view of the profession, future clinicians will be more prepared to make informed decisions as they provide services, engage in advocacy efforts, and plan their careers as audiologists or speech language pathologists. The book is divided into four major sections: Overview of the Professions, Employment Issues, Setting Specific Issues, and Working Productively. The information presented in each section provides the reader with a better understanding and a new perspective on how professional issues have been affected by both internal and external influences in recent years, including technological advances, demographic shifts, globalization, and economic factors. Chapter authors are recognized subject matter experts providing a blend of both foundational and cutting edge information in areas such as evidence based practice, ethics, job searching, and employment issues, interprofessional practice, service delivery in health care and education, technology, cultural competence, supervision, and leadership. Students reading this book will appreciate how the professions have evolved over time while acquiring a sense of where they are right now as they prepare to enter the professional world. Each of the topics covered in the book will continue to play important roles in the future of speech language pathology and audiology, providing early career professionals with the requisite knowledge to achieve success in any setting.

Recommended competencies from the AACN and the Hartford Institute for Geriatric Nursing are integrated throughout. Discussion of disease processes is placed in the context of healthy adaptation, nursing support, and responsibilities. Easy to use information on nursing techniques and communication appears with the associated disorders, symptoms, and situations. Tips for Best Practice and Resources for Best Practice boxes provide insight into proven methods of nursing care. Discussions of nursing and interprofessional actions help students learn to enhance wellness, maintain optimal function, and prevent unnecessary disability. Coverage of age, cultural, racial, and gender differences highlights these important considerations in caring for older adults. NEW Updates reflect the NCSBN Clinical Judgment Model. NEW Next Generation NCLEX NGN style case studies provide optimal preparation for the Next Generation NCLEX Examination. NEW Specialized information addresses the unique needs of older adults such as atypical disease presentation, geriatric syndromes, neurocognitive disorders, quality of life with chronic illness, legal and ethical issues, and mental health challenges such as depression and substance abuse. NEW Coverage of competencies of expanding nursing roles in the care of older adults addresses the continuum of care. NEW Gerontological expertise is incorporated into nursing actions and complements other nursing texts including med/surg, community health, mental health, and assessment books used in programs without a freestanding gerontological nursing course. NEW Expanded content includes information on COPD guidelines, medication use and misuse, Alzheimer's Disease, wound care guidelines, diagnosis and treatment of sleep disorders, breathing joint replacement, caregiver strain, hospice, and transitional care, and more.

Documentation for Physical Therapist Assistants Wendy D Bircher, 2017-10-01. Build your documentation skills and your confidence. Step by step, this text/workbook introduces you to the importance of documentation, shows you how to develop and write a proper and defensible note, and prepares you to meet the technological challenges you will encounter in practice. You will learn how to provide the proper documentation to assure all forms of reimbursement, including third party for your services. You will also explore issues of patient confidentiality, HIPAA requirements, and the ever-increasing demands of legal and ethical practice in a litigious society.
