

## Panasonic makes programming a VCR as simple as drawing a line.

Once, programming a VCR was complicated and confusing. Panasonic Omnivision™ VCRs with Bar Code Programming make programming as easy as drawing a line.

Simply pick up the wireless bar code scanner and programming card. Check off the day, time and channel for each program. Then the scanner will transmit all your programming choices to the VCR via an infrared beam. And with On Screen Display you can see everything you've programmed right on your TV screen. Up to 8 different programs for a full month.

This Omnivision VCR is more than just simple; it simply has everything you want in a VCR. It plays movies in full VHS Hi-Fi. There's an MTS decoder for stereo TV broadcasts. Its HQ circuitry electronically enhances the image. And it even has

Hi-Tech-4™, a four-head video system that gives you virtually jitter-free slow motion and freeze frame.

Panasonic Omnivision VCRs with Bar Code Programming. Now everything you need to program your VCR is at your fingertips.
