

Chapter 1

Vectors

4.4. *Mediators in Two and Three Component Models*

- *Efficient cost-based management after project (R) (R) as other (business, health, social)*

2. Although more difficult for students to represent this on paper, the figure should look something like the following. Note that the origin is not at a vertex of the figure, but that it is at the center of the three rays.

In particular, I need it as rapidly as possible. And that is necessary to show to students what properties are being used.
