UNDER HIS RULES [ENGLISH VERSION] Majornis Canis, Blurb. From the beginning Samuel Aarick CEO of Flown Enterprise had his eyes on Beatrice. Besides the debt her father owed Samuel felt that Beatrice deserved to be one of his kept women at the headquarters. In addition to being an influential CEO in the Southern Region, Samuel is also the leader of the Twin Dragons clan. The Twin Dragons are known to be ruthless and merciless. Their power extends to various illicit businesses including arms and drug trafficking. For Samuel, it was easy to obtain Beatrice. He forgot that love can come knocking on his heart at any time. This includes when Beatrice is in danger due to Samuel thoroughly investigating the issue of his subordinate being shot for no apparent reason. Beatrice is kidnapped, which further fuels Samuel's anger. He makes an effort to free her and starts to question himself: Is this just love or something more?

Multimodal Stylistics of the Novel Nina Nørgaard, 2018-10-08. This book advocates for a new analytical framework that extends our understanding of multimodal meaning making in the novel. Integrating theoretical traditions from stylistics and the influential social semiotic approach to multimodal communication developed by Kress and van Leeuwen, Nørgaard applies this method of analysis in order to build on existing stylistic practices that look at linguistic features in the novel to encompass other semiotic resources found in the form, such as typography, layout, images, paper, and book cover design. The volume grounds the discussion with supporting examples from novels that feature experimentation with multiple semiotic resources as well as more traditional novels, furthering the argument that all novels are inherently multimodal. Offering new insights and tools for unpacking multimodal meaning making in this critical literary genre, this volume is an indispensable resource for graduate students and researchers in multimodality, stylistics, and literary studies.

I Love the Sound of Breaking Glass Paul Charles, 2025-08-22. When Peter O Browne, managing director of Camden Town Records, disappears, a fire ravages his north London home, and his credit card is used in Dorset. DI Christy Kennedy is called in to investigate. As well as investigating a possible murder, the DI and his team find themselves turning up chart rigging, scams, and blackmail. Fans of Lovesey's Peter Diamond series, in particular, and traditional mystery fans in general, will welcome Charles's successful integration of an impossible crime element into a contemporary police procedural with a logical and clever twist ending.
