## Chapter 5

### Making Predictions

#### Purpose

In chapter 5, the reader learns about the problems that Marty is facing trying to keep Shiloh a secret. The destiny of Marty, Shiloh, and even Judd Travers remains a mystery. That's where this predictions activity comes in. With this activity students will be making predictions about Marty, Shiloh, and Judd. They'll base their predictions on evidence from the text. Then, they'll cut out their predictions and seal them in a "predictions" envelope that they make. They'll have a chance to share their predictions...and even see them again once they finish the novel.

#### Materials

- Class set of "Making Predictions" worksheet
- Class set of "Predictions" envelope
- Scissors
- Glue
- Tape to seal the envelope(optional...wash tape is especially fun)

#### Activity

- Remind students that making predictions is a reading strategy in which readers use information from the text and their own personal experiences to anticipate what might happen when they read.
- Explain to students that they will be making predictions about 3 main characters in the book: Marty, Shiloh, and Judd Travers.
- Pass out the "Making Predictions" worksheet. Lead students through making predictions. Make sure that they use textual evidence or their own personal experiences to explain the basis for their predictions.
- Then, pass out the "Predictions" envelope worksheets. Have students construct the envelopes.
- Next, give students a chance to share their predictions with a partner, small group, or the class.
- Finally, have students place the prediction cards inside their envelope. Collect the envelopes and re-distribute them after students finish reading the novel. Then, they can see if any or all of their predictions were accurate.
