

# NO SEW DIY TUTORIAL

By: ALLRIOT kickass political t-shirts

RAGS TO RICHES IN...

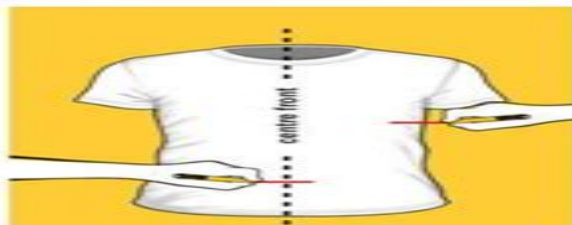

15 minutes

DIFFICULTY LEVEL

2. Teenage Rebellion

ESSENTIAL TOOLS

Scissors

3  
Make a 10 cm (4 inch) cut along the side seam on both sides.

4  
Hold down the top and pull on the ends to stretch them. They should naturally curl up a little.

5  
Tie the knot! Deepen the cut, or trim off the excess if required.

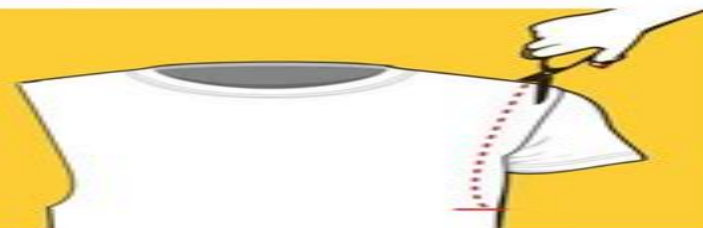

SAY HELLO  
TO YOUR COOL NEW  
TEE.

WANNA TAKE IT  
A LITTLE  
FURTHER?

Your t-shirt should now look like a deep "muscle tank top". Discard the sleeves.  
You can fold the t-shirt in half and cut both sides at once so they are identical.  
Or, if your material is too thick to cut them both at once, you can cut one side, fold the t-shirt in half and use the cut side as a guide.  
Try the t-shirt on to see if you're happy with it. Trim the edges if required.

BANG! LOOK AT THAT.  
JUST A FEW SNIPS AND YOU'RE  
ROCKING A BRAND NEW SHIRT.

# Shirt Cutting Guide

**Lady**

## Shirt Cutting Guide:

**The workwoman's guide, containing instructions ... in cutting out and completing those articles of wearing apparel, &c. which are usually made at home ... By a Lady i.e. Maria Wilson? ,1840** [T-shirt Makeovers](#) Sistahs of Harlem, Carmen Webber, Carmia Marshall, 2006 Take your old or weary new and funky or just plain cotton comfy T shirt and turn it into a fashion statement *The Cutter's Practical Guide, Part 11* W. D. F. VINCENT, 2025-09-30 We take great pleasure in presenting this Work to the trade confident that it will meet a long felt need Although it addresses garments somewhat beyond the usual scope of tailoring practice they nevertheless form a legitimate and indeed essential part of it There is no more reason to decline orders for such garments simply because certain firms have chosen to specialize in them than there would be in refusing to make a pair of breeches or any other item that naturally belongs within the tailor s craft It is the duty of every progressive house to embrace those branches which though sometimes neglected are vital to the completeness of a craftsman s repertoire As regards the Work itself the systems instructions and details of execution we submit with confidence that they will be found both reliable and of genuine practical service They are not the product of theory or speculation but rather of one who has gained wide and varied experience in this particular branch of the trade and is therefore well qualified to speak with authority Both the diagrams and the accompanying text have been prepared with the greatest care uniting clarity with refinement Every line has been drawn with precision and every explanation phrased with utmost attention so that the student may proceed with confidence and the experienced practitioner may find their skill further enriched No effort has been spared to make this Work worthy of its title a genuine Guide to Shirt Cutting not merely a compilation of rules but a practical manual filled with hints and suggestions of lasting value to both learner and expert

**The Workwoman's Guide**, Lady, 1840 *Cutting for All!* Kevin L. Seligman, 1996 Containing 2 729 entries Kevin L. Seligman s bibliography concentrates on books manuals journals and catalogs covering a wide range of sartorial approaches over nearly five hundred years After a historical overview Seligman approaches his subject chronologically listing items by century through 1799 then by decade In this section he deals with works on flat patterning draping grading and tailoring techniques as well as on such related topics as accessories armor civil costumes clerical costumes dressmakers systems fur gloves leather military uniforms and undergarments Seligman then devotes a section to those American and English journals published for the professional tailor and dressmaker Here too he includes the related areas of fur and undergarments A section devoted to journal articles features selected articles from costume and noncostumerelated professional journals and periodicals The author breaks these articles down into three categories American English and other Seligman then devotes separate sections to other related areas providing alphabetical listings of books and professional journals for costume and dance dolls folk and national dress footwear millinery and wigmaking and hair A section devoted to commercial pattern companies periodicals and catalogs is followed by an appendix covering pattern companies publishers and publications In

addition to full bibliographic notation Seligman provides a library call number and library location if that information is available The majority of the listings are annotated Each listing is coded for identification and cross referencing An author index a title index a subject index and a chronological index will guide readers to the material they want Seligman s historical review of the development of publications on the sartorial arts professional journals and the commercial paper pattern industry puts the bibliographical material into context An appendix provides a cross reference guide for research on American and English pattern companies publishers and publications Given the size and scope of the bibliography there is no other reference work even remotely like it

**101 Ways to Tees Your Tots** Banar,2007-05 101 Ways to Tees Your Tot 101 designs that teach how to cut snip fuse embroider stamp stencil dye print and embellish simple tees into unique wardrobe additions for little tykes

**The Complete Idiot's Guide to Sewing** Missy Shepler,Rebecca Brent,2011-04-05 A manual that offers seamstresses the Right Stitch From first threading a needle to the final completed project The Complete Idiot s Guide to Sewing provides readers with a learn as you go method that helps build sewing skills both by hand and by machine Each chapter has a practice project for readers to apply their newly acquired skills to completing Includes dozens of easy to understand visual aid line drawings and photographs Features basic machine care and maintenance information **100**
