

Judy Smith couldn't believe that great \$10 microwave oven ("It works!") hadn't sold as of early Thursday afternoon, but then she wondered if maybe bargain hunters hadn't spotted it on the garage floor.

That's the kind of thing people have to consider when having a garage sale. Not only do you have to clean out your garage, but you need some kind of system to put your merchandise in the best light, price it fairly but reasonably, and then decide what to do with the leftovers.

Some people have a garage sale every two years with a specific goal in mind. This year, the Jones family sold their old lawn mower and plan to buy a new one with the garage sale profits. They keep a box in their house with prospective items for the garage sale so they do not have to scrounge for items the night before the sale.

What is the main point of the above article?

- a ☐ Garage sales are a lot of fun.
- b ☐ Garage sales are a good way to sell your old lawnmower.
- c ☐ Garage sales are a good way to clean out your garage.
- d ☐ Garage sales often have a lot of junk for sale.
- e ☐ Garage sales are a lot of work.
