Social Work Research Skills Workbook Jacqueline Corcoran, Mary Secret, 2012-08-17 The required research sequence is perhaps the most dreaded element of a BSW or MSW program for students who don t see the applicability of research methods and data analysis to the real world of practice With the move toward greater accountability and evidence informed practice though students must be well equipped to be not only consumers but producers of research Increase student research comfort and competency with the Social Work Research Skills Workbook a hands on practical guide that shows students how to apply what they learn about research methods and analysis to the research projects that they develop in their internships field placements or employment settings At once a survival guide to the research requirement and a toolbox that practitioners can use in the field this workbook

promises to engage students in the research process and make them responsible ethical and informed producers of social work knowledge that produces better outcomes for their agencies and clients Expository Writing, Grades 3-5 (Meeting Writing Standards Series) Robert Summers,2000-04 Activities in this book include drills lessons clarification techniques and research strategies each with a computer connection component Introduction to Geography: Where in the world do Muslims Live? Susan Douglass,1995-01-01 This supplementary unit is an introduction to the geography of regions where Muslims live as majorities and a description of the circumstances in which Muslims live as minorities The focus is more regional than national so as to overstep the arbitrary modern borders that divide Muslim populations among numerous countries The unit is designed to complement typical geography surveys offered in elementary social studies curricula It is designed for grade four but may be used for grades five and six if the curriculum so requires Study of this unit may be undertaken after the students have received an introduction to basic geography and map skills It is probably best undertaken during the second half of the fourth grade year but since important geography concepts and skills are both introduced and reviewed here the teacher may be confident to proceed earlier The structure of the unit is unique in that the student text is in the form of a play script whose characters a teacher and her students model a cooperative learning experience as they study regions of the world where Muslims live The main objectives of this unit are to provide students with an overview of the places where Muslims live as majority and minority communities and to investigate selected aspects of geographic and cultural diversity within the context of Islamic unity The unit consists of an eight lesson student text with teaching suggestions and enrichment activities Comprehension questions map skills and worksheets accompany the text for concept reinforcement and skill building While the unit is designed for flexibility it is recommended that the students be exposed to the entire student text If time does not allow extensive study of the unit materials the teacher may select only basic material from the teaching suggestions rather than covering these with depth and enrichment *Culture, Society & Globalization Gr. 5-8* Erika Gasper-Gombatz,2010-01-01 Help students make informed decisions about civil matters and lifestyle choices that affect themselves and the world Our resource provides students with the building blocks to understand the debates and issues surrounding globalization Go back in time to experience the influence of the Ottoman Empire on the greater world Debate the pros and cons of globalization in today s world Conduct a survey at your school to find out whether mother languages are being passed down to current generations Explore the negative impacts of the spread of Western culture to the rest of the world Plan international vacations for people that minimize the negative impacts of tourist activity on indigenous and local populations Find out how globalization can cause the spread of infectious diseases to occur more quickly Watch the world come together to deal with the global issue of Climate Change Represent a nation during a United Nations meeting to draft additions to human rights law Aligned to your State Standards and written to Bloom s Taxonomy additional hands on activities crossword word search comprehension quiz and answer key are also included A Lifetime of
