6. IF NECESSARY FOR REPAIR OR REPLACEMENT ONLY - DIS-ASSEMBLE THE RECOIL SPRING. Compress AND CONTROL the recoil spring by placing the butt end on a hard surface (COILED END UP) and carefully move the RECOIL SPRING COLLAR downward about a 1/4 of an inch until it clears the notch. Remove the collar and slowly allow the spring to expand.

7. REMOVE BOLT AND BOLT CARRIER. Put the BOLT ASSEMBLY toward the rear and remove. Notice how the BOLT is positioned on the BOLT CARRIER.

Disassembly

8. REMOVE EXTRACTOR and FIRING PIN FOR REPAIRS, REPLACEMENT, or MAINTENANCE ONLY. One of the most common causes for malfunctions with military surplus weapons is that the extractor, extractor spring and/or firing pin can not move freely due to caked-on corrosion or excessive dirt, powder, or debris. During disassembly pay close attention to the correct position of FIRING PIN RETAINING PIN and the FIRING PIN. Omit the FIRING PIN RETAINING PIN towards the right as shown. Notice how the "tail" of the pin covers the EXTRACTOR SPRING.

Remove the FIRING PIN towards the rear (notice the position)

Remove the EXTRACTOR and EXTRACTOR SPRING by pushing it toward the rear while sliding the "clew" back and out of its slot. The extractor spring can also be removed. Clean and Lubricate.

Kierkegaard on Dialogical Education Anna Strelis Soderquist, 2016-07-14 Kierkegaard on Dialogical Education Vulnerable Freedom examines a unique conception of freedom that underscores the productive role of human vulnerability as found in the work of S ren Kierkegaard Anna Strelis S derquist uncovers Kierkegaard s method of indirect communication as a formative and dialogical approach to education that guides a person in becoming not only free and independent but also receptive and empathetic This approach bestows upon a human being the dignity that comes from being both capable and humble It emphasizes the need for trust and courage alike in our dialogical relations freeing us to receive and respond to the other both in our need and through our own choosing Freedom s secret is that it is at the same time self empowered and vulnerable self giving and receptive independent and dependent Kierkegaard s method in both form and content hinges upon the narrativity of human experience No human being is immune to the seductive force of stories Kierkegaard recognizes the power of a story to captivate and to change us to empower and to humble us and he makes use of them as formative teachers with whom we enter into dialogue Through its examination of indirect formation in Kierkegaard through poetry and storytelling Kierkegaard on Dialogical Education explores the reaches and limits of narrative imagination and inquires into the dialogical and narrative struggle inherent in the formation of identity This book will be of interest to philosophers and educators as well as those who meet at the crossroads of philosophy education and art **Volume 16, Tome I:**

Kierkegaard's Literary Figures and Motifs Katalin Nun, Dr Jon Stewart, 2014-10-28 While Kierkegaard is perhaps known best as a religious thinker and philosopher there is an unmistakable literary element in his writings He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would have some familiarity with This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians but at the same time it has made their interpretation more complex Kierkegaard readers are generally aware of his interest in figures such as Faust or the Wandering Jew but they rarely have a full appreciation of the vast extent of his use of characters from different literary periods and traditions The present volume is dedicated to the treatment of the variety of literary figures and motifs used by Kierkegaard The volume is arranged alphabetically by name with Tome I covering figures and motifs from Agamemnon to Guadalquivir
