

An oil painting depicting a group of enslaved African Americans, including women and children, sitting on a wooden bench or platform. They are dressed in white clothing, some with red bows. A white man in a top hat stands behind them, looking on. The scene is set in a dimly lit, enclosed space, likely a slave pen or a waiting area for sale.

Slave For Sale:

Slaves Waiting for Sale Maurie D. McInnis, 2024-05-31 In 1853 Eyre Crowe a young British artist visited a slave auction in Richmond Virginia Harrowed by what he witnessed he captured the scene in sketches that he would later develop into a series of illustrations and paintings including the culminating painting *Slaves Waiting for Sale* Richmond Virginia This innovative book uses Crowe s paintings to explore the texture of the slave trade in Richmond Charleston and New Orleans the evolving iconography of abolitionist art and the role of visual culture in the transatlantic world of abolitionism Tracing Crowe s trajectory from Richmond across the American South and back to London where his paintings were exhibited just a few weeks after the start of the Civil War Maurie D McInnis illuminates not only how his abolitionist art was inspired and made but also how it influenced the international public s grasp of slavery in America With almost 140 illustrations *Slaves Waiting for Sale* brings a fresh perspective to the American slave trade and abolitionism as we enter the sesquicentennial of the Civil War *Slave for Sale* Random House, 1999-12-01 Wadi Daliyeh II Douglas Marvin Gropp, Moshe J. Bernstein, 2001 This volume in the Discoveries in the Judaean Desert series is composed of two sections the first of which contains Aramaic papyri from Wadi Daliyeh written in Official Aramaic the standard language of scribes in the Persian period The papyri are all documentary and contain mainly deeds of slave sales These documents aid us in understanding certain aspects of the society and the formulaic language of the fourth century BCE The second section of the volume contains Miscellanea part 2 from Cave 4 at Qumran Among this group of miscellaneous texts 4Q368 371 provide further insights into the large group of apocryphal and pseudepigraphical texts found at Qumran and should be studied in conjunction with the other volumes containing Parabiblical texts XIII XIX XXII and XXX **The Price of Freedom** T. Stephen Whitman, 2021-05-11 A stereotypical image of manumission is that of a benign plantation owner freeing his slaves on his deathbed But as Stephen Whitman demonstrates the truth was far more complex especially in border states where manumission was much more common Whitman analyzes the economic and social history of Baltimore to show how the vigorous growth of the city required the exploitation of rural slaves To prevent them from escaping and to spur higher production owners entered into arrangements with their slaves promising eventual freedom in return for many years hard work The Price of Freedom reveals how blacks played a critical role in freeing themselves from slavery Yet it was an imperfect victory Once Baltimore s economic growth began to slow freed blacks were virtually excluded from craft apprenticeships and European immigrants supplanted them as a trained labor force Soul by Soul Walter JOHNSON, 2009-06-30 *Soul by Soul* tells the story of slavery in antebellum America by moving away from the cotton plantations and into the slave market itself the heart of the domestic slave trade Taking us inside the New Orleans slave market the largest in the nation where 100 000 men women and children were packaged priced and sold Walter Johnson transforms the statistics of this chilling trade into the human drama of traders buyers and slaves negotiating sales that would

alter the life of each What emerges is not only the brutal economics of trading but the vast and surprising interdependencies among the actors involved *Reports of Cases Argued and Determined in the Supreme Court of Alabama* Alabama.

comprehensive analysis of Jewish attitudes towards slavery in Hellenistic and Roman times Against the traditional opinion that after the Babylonian Exile Jews refrained from employing slaves Catherine Hezser shows that slavery remained a significant phenomenon of ancient Jewish everyday life and generated a discourse which resembled Graeco Roman and early Christian views while at the same time preserving specifically Jewish nuances Hezser examines the impact of domestic slavery on the ancient Jewish household and on family relationships She discusses the perceived advantages of slaves over other types of labor and evaluates their role within the ancient Jewish economy The ancient Jewish experience of slavery seems to have been so pervasive that slave images also entered theological discourse Like their Graeco Roman and Christian

counterparts ancient Jewish intellectuals did not advocate the abolition of slavery but they used the biblical tradition and their own judgements to ameliorate the status quo

Children in the Ancient Near Eastern Household Kristine Garroway, 2014-10-21 Children were an important part of the ancient Near Eastern household This idea seems straightforward but it can be understood in many ways On a basic level children are necessary for the perpetuation of a household On a deeper level the definitions of child and member of the household are far from categorical This book begins to explore the multiple definitions of child and the way the child fits within a household It examines what membership in the household looks like for children and what factors contribute to it A study addressing what a child is and how a child's gender and social status affect her place in the household is vital to a proper understanding of the ancient Near Eastern household Despite their importance children have long been marginalized in discussions of ancient societies Only recently has this trend begun to change within biblical and ancient Near Eastern scholarship A recent wave of studies especially in relation to the Hebrew Bible has started to address children in their own right In light of the current state of scholarship on children the purpose of this book is threefold First Garroway continues to fill out the picture of the child in the ancient Near East by compiling child centric texts and archaeological realia In analyzing these materials she surveys the relationship between children and ancient Near Eastern society by examining the extent to which structuring forces in a community such as social status and gender contribute to the process of a child's becoming a member of his household and society Finally this information provides a base for future research for example a cross cultural study of children in the ancient Near East in Classical Antiquity
