## **Volvo FL7 Manual:**

Landed Tim Pears, 2011-07-01 Brought up in the Anglo Welsh borders by an affectionate but alcoholic and feckless mother Owen Ithell's sense of self is rooted in his long vivid visits to his grandparents small farm in the hills There he is deeply impressed by his grandfather's primitive cruel relationship with his animals and the land As an adult he moves away from the country of his childhood to an English city where he builds a new life working as a gardener He meets Mel they have children He believes he has found happiness and love of a sort But following a car accident in which his daughter is killed and he loses a hand the course of his life and the lives of those he loves is changed forever Owen unable to work alienated and eventually legally separated from his family is haunted by suicidal thoughts In his despair he resolves to reconnect with both his past and the natural world Abducting his children he embarks on a long fateful journey walking to the Welsh borders of his childhood In his confusion his journey is a grasping at some kind of an understanding of his powerful loss
