Winning with the Employee from Hell Shaun Belding, 2004-04-27 Annotation: This guide helps managers determine which of their problem employees may need a little encouragement, a little direction, a full-fledged attitude adjustment, or to be set free. Managers learn how to work with a myriad of challenging personality types from those who just can't seem to get the job done to negative, whiny, and uncooperative ones. Employers learn the importance of setting goals, observing and assessing performance, and responding with motivating and nonnegotiable performance standards.

**Country Guide and Nor'west Farmer**, 1924 Melting Away Brogan Broyce, 2023-05-15 Hello my friend, Thank you very much for showing interest in my book. As for me, I was raised on the far southeast side of Chicago. I was a typical boy with typical interests: sports and play. However, all throughout my school days, I was told that my essays were stimulating and my poetry interesting. I didn't pursue either until thirty years later. My family was my life. I had married my high school sweetheart, and we raised our five children together. I worked as an electrical lineman for thirty-three years, and after retiring early, we moved to Tennessee. It was there that I discovered an article about the misfortunes of Ireland during the potato famine, 1845-1849. The more I peered into Ireland's history, the more interested I became. Then, at the onset of COVID, I had more sympathy for Ireland than ever before. Hence, I researched and put together a novel, even as our world also contended with a dreadful malady. And here we are today. Thank you for your interest and good reading to you, Brogan Broyce.
