Shenoi The Angel Of Knowledge:

Shenoi the Angel of Knowledge Mr. Samuel Gilbert,2014-11-17 This book is also being dedicated to those who search for the truth about our relationships as human beings and to those who are willing to join the fight against all who inspire the negative voices that divide us Have we learned anything from the past or present that will able us to move forward in a way that all mankind can finally join together in the true meaning of the word brotherhood Or will it lead to our demise because of those who turn a deaf ear to the one who speaks the truth Remember the decisions we make will affect all who come after us Or do we really care about the things we say or do that will stagnate the positive mental growth of future generations Only time will tell

A Chance to Learn Samuel Gilbert,2023-09-11 Greetings It is truly remarkable that after six decades I find myself inspired and given the opportunity to delve into the historical and current struggles of Black Americans in the South and various states across the nation Despite enduring immense hardships such as poverty their predicaments are seldom addressed by the media Regrettably I fear that without direct action from politicians who recognize the urgent need for change these issues will persist leaving them neglected They are now hopeful that their struggles can be remedied before White supremacists prejudiced attitudes towards Black individuals worsen I would deeply appreciate it if fellow Americans could spare a moment to peruse this book I am confident that you will find the accounts of Black people s experiences in life and death circumstances intriguing and thought provoking So fasten your seat belts and prepare for a challenging journey through the past present and future While reading this book may be unsettling as you venture further into an era that few of us would have survived enduring the unimaginable conditions of physical and mental enslavement by White supremacists please know that it is entirely understandable
