**Literary Prizes and Cultural Transfer** Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05  
Literary Prizes and Cultural Transfer addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon. The contributions to this book analyse the social, institutional and ideological functions of such prizes. This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions with a special focus on cultural transmitters and their networks which play a decisive role in the award industry. Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes. The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes, presenting the state of the art regarding recent developments in the field. Articles with a broader scope discuss definitions, concepts and methods while other contributions deal with specific case studies. A variety of theoretical and methodological approaches are explored applying field theory, network analysis, comparative literature and cultural transfer studies. By providing multiple perspectives on the literary prize, this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon.

**Sherry Cracker Gets Normal** D. J. Connell, 2011. Meet Sherry Cracker, loner, obsessive note taker and lover of tartan trousers. She works for thrifty straight talking Mr Chin who runs a business buying used gold from dentists. One Friday afternoon Mr Chin informs Sherry that she's abnormal. **Chimera** John Barth, 2023-09-19. A National Book Award winner, this bawdy comic trio of novellas finds John Barth injecting his signature wit into three tales many times told: that of Scheherazade, storyteller of the Thousand and One Nights; of Perseus, slayer of Medusa; and of Bellerophon, rider of Pegasus and slayer of the Chimera.

**A Year on Planet Alzheimer** Carolyn Steele, 2004-10-01. What happens when a single parent from London heads for Canada to care for an elderly lady in case it's fun? Described by readers as a cross between Bridget Jones and Bill Bryson, this book isn't quite a travelogue. Although Vancouver Bus Station's ceiling will leave quite an impression, it is just what happened. It is life and the sheer unexpectedness of the way other people live it, not just the snow dump but the incredulity we generated by wanting to see it. The story of an adventure would have a few more shimmering sunsets dancing over majestic waves. There are some majestic waves naturally but we are more obsessed with meatballs. It is therefore the story of an escapade.
