Being Dragonborn Mike Piero, Marc A. Ouellette, 2021-09-28 The Elder Scrolls V Skyrim is one of the bestselling and most influential video games of the past decade From the return of world threatening dragons to an ongoing civil war the province of Skyrim is rich with adventure lore magic history and stunning vistas Beyond its visual spectacle alone Skyrim is an exemplary gameworld that reproduces out of game realities controversies and histories for its players Being Dragonborn then comes to signify a host of ethical and ideological choices for the player both inside and outside the gameworld These essays show how playing Skyrim in many ways is akin to playing 21st century America with its various crises conflicts divisions and inequalities Topics covered include racial inequality and white supremacy gender construction and misogyny the politics of modding rhetorics of gameplay and narrative features

Todd Howard Wendi Sierra, 2020-12-24 The newest addition to our Influential Video Game Designers series explores the work of Todd Howard executive producer at Bethesda Studios known for how he consistently pushes the boundaries of open world gaming and player agency Howard s games create worlds in which players can design their own characters and tell their own stories While many games tell the story of the game s main character Todd Howard s worldbuilding approach to game design focuses more on telling the story of the game s world whether it be the high fantasy environments of the Elder Scrolls series or the post apocalyptic wasteland of the Fallout series This focus on sculpting the world allows for remarkable amounts of player freedom and choice in an expansive game environment by creating a landscape rich with open opportunity Drawing on both academic discussions of narrative world design and game design as well as on officially released interviews speeches and presentations given by Howard and other designers at Bethesda Games Wendi Sierra highlights three core areas set Howard s design perspective apart from other designers micronarratives iterative design and the sharing of design tools Taken as a whole these three elements demonstrate how Howard has used a worldbuilding perspective to shape his games In doing so he has impacted not only Bethesda Studios but also the landscape of game design itself
